The Wisdom of Harvey Penick Bud Shrake, Harvey Penick, 2011-11-22 When Ben Crenshaw sank his putt at the seventy second hole for a one shot victory in the 1995 Masters he bent over buried his face in his fingers for a moment then wept in the arms of his caddie This was Ben s way of telling the world that what he had just done was his own memorial to his great friend and mentor Harvey Penick who had passed away almost exactly a week before With Crenshaw s victory every golfer every lover of the game joined Ben in giving thanks to the greatest golf teacher of all time Harvey Penick s life in golf began when he started caddying at the Austin Country Club in Texas at the youthful age of eight Over the next eighty plus years he enlightened the members of that club with insights into golf and life In 1992 at the age of eighty seven he offered the world that same wisdom in a timeless collection of pieces entitled Harvey Penick s Little Red Book He followed that with three more books all bestsellers and all filled with thoughts stories and golf advice that had stood the test of time Now Bud Shrake Harvey s friend and collaborator gathers together the very best pointers portraits and parables from all four of Harvey s previous works Filled with nuggets of wisdom from Harvey Penick s Little Red Book And If You Play Golf You re My Friend For All Who Love the Game and The Game for a Lifetime and enhanced with dozens of personal photographs and keepsakes from the Penick family scrapbooks *The Wisdom of Harvey Penick* is a lasting treasure from the most beloved teacher in all of golf

The Four Magic Moves to Winning Golf Joe Dante, 1995-05-15 The legendary golf instructional available again This is along with Harvey Penick s Little Red Book THE book Golf professionals turn to Thirty years ago I was recommending Joe Dante s book *The Four Magic Moves To Winning Golf* as a must read for aspiring PGA professionals What Dante said in 62 has influenced many of the game s finest teachers Dante was a visionary Gary Wren author of *New Golf Mind* When published *The Four Magic Moves To Winning Golf* radically changed the way many players thought about the golf swing

Dante's system showed how simple it was to improve one's game and at the same time gave the golfer one of the most comprehensive analyses of swing mechanics ever published. Now thirty-three years after its original publication, Main Street is proud to reissue this classic instructional. Dante begins by sweeping out all the misconceptions of the game. If good golf is to be learned and the poor player is to improve, a purging must take place, painful as it may be. Dante discusses a few basics of grip and stance and then he gets to the heart of his book, the four magic moves. As he reveals each of the moves, Dante focuses on the physical checkpoints so that any golfer can make sure that his or her swing is on the right track. *The Four Magic Moves To Winning Golf* is straightforward and easy to understand, yet unlike other golf books, it is irreverent and audacious in its approach to mastering the game. The publication of this rediscovered classic is sure to establish Joe Dante's reputation as one of golf's greatest teachers.

The One Minute Golfer Ken Blanchard, 1999-03-17 Here are the highly successful training techniques used at one of the top golfing schools in America, the Golf University in San Diego. It was founded by Ken Blanchard, coauthor of the bestselling books *The One Minute Manager*, *Raving Fans*, and *Gung Ho*. In this brilliant book, Blanchard applies his management wisdom to the game of golf. He explains how you can take the same methods that are highly effective in business and adapt them with astonishing success to your golf game. Using training techniques that have been tested with pupils from beginners to low handicappers, *The One Minute Golfer* offers a long overdue program for playing and enjoying golf while improving your game.

[PGA Spells Death](#) James Y. Bartlett, 2020-08-20 If it bleeds, it leads. Golf writer Hacker is now TV golf broadcaster. Hacker, with a sweet new gig on a national network, has to learn the ins and outs of televising golf and how to deal with the hyper-intense executive producer and director, Ben the Assassin Oswald, as they get ready to broadcast the PGA Championship staged at international developer Conrad Gold's luxury club in upstate New York. And then the bodies begin to pile up. First is a fellow announcer on the crew, then the assistant to Oswald in the control room. So as Hacker trades quips in the booth with Billy Joe the Boz Bosworth, he's gotta figure out who's killing the network guys, one by one. It's another golf crazy mystery from the author. *Golfweek Magazine* calls it the Dick Francis of golf.
