Golf Made Easier Not Easy:

South Side Boy Roger Wiltz, 2019-02-18 Though no particular accomplishments in my life warrant an autobiography I feel like the man on the television insurance commercial when he says We know a thing or two because we've seen a thing or two I don't know that everything I relate is 100 percent accurate but I have made every effort to tell the truth The accounts and descriptions I give you are how I perceived them and my memory may have faded over the many years in some instances While I have made an effort to adhere to chronological order I believe that a strict order of events might become confusing Subject by subject rather than year by year seemed more orderly I also developed the subject matter by focusing on what I consider to be defining moments in my life Deception at Work Michael J. Comer, Timothy E. Stephens, 2017-05-15

Deception at Work tells you how to recognize and deal with lies in meetings negotiations discussions and in writing It is guaranteed to make you a more effective and confident operator no matter what job you do Simply leaving the book on your desk for others to see will improve your chances of not being deceived The book exposes deception in all of its forms linking the authors 40 years of experience in dealing with fraudsters with the most recent findings on MRI scanning and the human brain It explains how why and in what circumstances both achievement and exculpatory lies are told and how they can be resolved It sets out a low key but effective plan for dealing with liars in all shapes and sizes from confidence tricksters to malingerers and hard nosed fraudsters This ground breaking work includes the most comprehensive summary of the clues to deception of any book currently in print **Hazards, Those Essential Elements in a Golf Course Without which the**

Trials and Triumphs of Golf's Greatest Champions Lyle

Slovick, 2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In *Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope* Lyle Slovick has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovick tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume *Trials and Triumphs of Golf's Greatest Champions* offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials *Golf Made Easier-- Not Easy* Bruce Fossum, 1989 [A Locker Room of Her Own](#) David C. Female athletes are too often perceived as interlopers in the historically male dominated world of sports Obstacles specific to women are of particular focus in *A Locker Room of Her Own* Race sexual orientation and the similar qualities ancillary to gender bear special exploration in how they impact an athlete's story Central to this volume is the contention that women in their role as inherent outsiders are placed in a unique position even more complicated than the usual experiences of inequality and discord associated with race and sports The contributors explore and critique the notion that in order to be considered among the pantheon of athletic heroes one cannot deviate from the traditional demographic profile that of the white male These essays look specifically and critically at the nature of gender and sexuality within the contested nexus of race reputation and sport The collection explores the reputations of iconic and pioneering sports figures and the cultural and social forces that helped to forge their unique and often problematic legacies Women athletes discussed in this volume include Babe Didrikson Zaharias the women of the AAGPBL Billie Jean King Venus and Serena Williams Marion Jones Chris
