## **Gone Forever:**

Gone Forever Emmanuel Bampoe, 2018-06-14 *Gone Forever* brings to bear the realities in life the nothingness of man the disappointment in life and above all the courage to face it Never allow age or a situation to kill your dreams otherwise the society will not forgive you All the characters in the book were able to rule over their destiny so you can do it too Since you did not have the choice to come into the world yourself you cannot decide to leave the world at any time you like Death is inevitable but suicide in my opinion is one of the most selfish things one could do because once you're gone you're gone forever

right for me So I wrote the book that I wanted to read the kind of book that said it without prettying it up with fancy words to make it more palatable for the world to see I just wanted to write a book I would read I wanted my book to be real and to express the many different sides of grief And in doing that I expressed the many different sides allowing everyone who is grieving a child to find their self validation no matter where they choose to look     Poems Caroline E.
