The Nine Faces of Fear Stephen J. Costello, 2022-01-13 This book which draws on the principles and practices of philosophy is packed full of sound concrete advice and guidance from the wise of both East and West It shows us how to become free of fear that tyrant of the soul by living more from the Self than the ego Dr Costello details the dynamics of fear from the perspective of Advaita Vedanta its forms and figures before presenting the nine fundamental fears with the help of the Enneagram system There are Stoic strategies for facing fears existential exercises and recommended daily practices Dr Costello writes as both a philosopher and clinician and brings to this fascinating subject in which we re all implicated his erudition in both theory and therapy The work complements his online course hosted by Udemy Therapy Technique for Anxiety Phobias OCD which highlights the importance of paradoxical intention derived from Viktor Frankl s school of philosophical psychology Between Speech and Silence Stephen J. Costello, 2022-09-16 This book concerns itself with the

origin of speech and language takes the reader through the steps of dialectic how to reason and rhetoric how to persuade examines the importance of stories and symbols and the role of thinking and highlights the necessity of silence and the practice of meditation Though it is written from a philosophical perspective it is eminently practical with guidelines exercises ancient advice and concrete suggestions on how to communicate convince and commune with one s self Dr Costello draws on both Eastern and Western thought to show the power poetry and potential of words It explores the following how to question Socrates and Plato how to argue Aristotle and Cicero how to be right Schopenhauer how to think Heidegger how to spot your speaking style the enneagram how to communicate compassionately Thich Nhat Hanh how to meditate and stay silent various contemplative traditions

Creative Leadership Rama Gheerawo, 2025-04-17 The old top down approach to leadership doesn t work any more What we need is a more flexible creative approach one that empowers people to do their best work rather than tells them to do so In Creative Leadership Rama Gheerawo applies the mind of a design expert to the twenty first century organisation In particular his book shows how success in the future will increasingly be dependent on a mastery of three basic principles creativity clarity and empathy Drawing on his own experience in leading over 100 design projects with government business and the third sector it sets out a blueprint for engagement and success that applies to everything from small enterprises to large multinationals This book is essential for anyone looking for more empathetic creative and resilient forms of leadership Caroline Casey Co Founder The Valuable 500

Being Consciousness Bliss Astrid Fitzgerald, 2001 Many people are looking for a deeper and richer spiritual life They sense that there is more to their existence than the surface of life seems to offer but they are confused and uncertain about where to look and how to begin Being Consciousness Bliss is a rich profound and eminently accessible compendium of wisdom that will help orient people toward a more fruitful spiritual search Drawing on a dazzling array of sources including the insights of G I Gurdjieff and P D Ouspensky as well as the spiritual traditions of the East it gives a clear and compelling account of the true inner structure of

the human being and how it may be developed to its full potential Part One discusses the current human condition the sleep of ordinary life and how a person may begin to wake up from it Part Two offers a feast of excerpts from the Perennial Philosophy the great wisdom tradition that underlies all cultures and religions to feed and nurture the growth of the soul Part Three provides simple ways to put these insights into practice in daily life Clear sensible and erudite Being Consciousness Bliss is a resource suitable for both beginners and advanced practitioners to be used and treasured for many years This is a feast of a book spread out like a banquet of the freshest foods served wholesomely and presented artfully Starting from a premise that the aim of human life is to know who we are to realize our Self our true nature and our identity with the Universal Self Fitzgerald s poetic and passionate prose awakens consciousness on a deep level She helps us feel the Self so we can begin to work with the Self To complement her own inspired writing she includes a section with words of wisdom from other sources grouped by such intent as to examine suffering or to explore aspiration In addition there is a cornucopia of suggestions for practice such as how to focus attention on a task or how to listen to the sound of your own voice Dotted with illustrations and charts to further clarify the text this work is an invitation to a nourishing meal of self awareness S J A Managing Editor NAPRA Review Following Aldous Huxley Astrid Fitzgerald s tireless pursuit of an inner path is sure to awaken the heart to bliss and rouse spirit to behold David Appelbaum editor of Parabola Magazine This book is equal parts wisdom beauty and inspiration Astrid Fitzgerald opens the insights of the ages for anyone to follow Highly recommended Larry Dossey M D author of Healing Beyond the Body Reinventing Medicine and Healing Words Astrid Fitzgerald s Being Consciousness Bliss is a well researched clearly written account of the essential teachings given by all the major wisdom traditions which all teach that we are one human family Sri Swami Satchidananda Founder Spiritual Head Integral Yoga International Satchidananda Ashram Yogaville

Pause Now Lyla Yastion,2009-03-16 This handbook in practical spirituality

proposes that the level of stress violence fear and disconnect from Nature in the global society has risen in direct proportion to a fall in the collective level of conscious awareness In order to reverse this trend a conscious impulse is required Human beings need to rediscover the mystical underpinning of all religions and the engine of spiritual transformation the art of presence Only by learning to be present and stay present is it possible to dissolve harmful energy in the form of false opinions and negative feelings and create positive energy that imbues actions with intelligence compassion and respect for the sacredness of all life To this end a practice in sensory awareness is offered It is called the Pause Pausing affirms the body mind continuum by empowering the senses as conduits of conscious awareness When pausing is then applied to ordinary activities such as speaking working thinking and relating to others spiritual evolution accelerates The fruit of a re awakened life is healing for ourselves for society and for the entire Earth community **Good Company** Shantanand
