Going Missing Young People Absent From Care:

   Going Missing Jim Wade,Nina Biehal,1998-12-29 Going Missing presents important findings from the first major study of young people who go missing from residential and foster homes By exploring the diverse reasons why young people go missing and what happens when they do the authors highlight the impact both of individual motivations and of residential and foster care contexts on the patterns associated with going missing The authors address the serious risks that young people may encounter while missing including the dangers associated with sleeping rough offending sexual exploitation and substance misuse The longer term implications of repeatedly going missing for the structure of young people s lives are also explored In outlining the strengths and limits of the different professional responses to young people who go missing the authors present an analysis of the difficult professional task of managing risk for different groups of people Conclusions drawn from this unique study are considered in terms of their wider implications for developing preventive services for teenagers the nature of residential and foster care provision inter agency approaches to supporting young people Addressing the growing concern about runaways from residential and foster care and eliciting the wider implications for the care system today Going Missing is essential reading for practitioners in the social and welfare services policy makers and students and lecturers on higher education courses   *Psychotherapy with Young People in Care* Margaret Hunter,2002-09-11 Whilst there is a wealth of literature on working with children and adolescents very little focuses on those who are in residential or foster care Psychotherapy with Young People in Care is a practical guide to working with this group from a psychoanalytic therapeutic perspective Drawing on the author s years of experience and illustrated with a wealth of clinical examples as well as a comprehensive glossary the book tackles those issues most relevant to those working with children and adolescents the place of psychotherapy in residential foster care ethical considerations confidentiality and sexual abuse particular problems faced by young people ADHD trauma PTSD This refreshing and valuable book is an essential teaching text for all those who work with young people in the care system including child and adolescent psychotherapists psychiatrists clinical psychologists and social workers   *The Criminalisation and Exploitation of Children in Care* Julie Shaw,Sarah Greenhow,2020-12-27 The Criminalisation and Exploitation of Children in Care explores the results of a recent qualitative study which focused on multi agency responses to children and young people in residential and foster care who were at risk of criminalisation and or exploitation and abuse Recent high profile reports have highlighted an urgent need for effective multi agency work to tackle the issues of criminalisation and exploitation of children and young people in care However progress to date has been slow and it is clear that there is still some way to go before effective multi agency working becomes widespread In response this book draws upon the experiences and perspectives of practitioners from a sample of co located Multi Agency Safeguarding Hubs as well as the latest research theory and policy developments in the field In doing so it explores both the benefits and challenges of multi agency working and concludes with recommendations for future

policy and practice This timely study will be of great interest to students and scholars of criminology criminal justice policing studies social work health and childhood studies It will also be a valuable tool for practitioners and policymakers in the criminal youth justice and social service arenas   In Care and After Elaine Chase,Antonia Simon,Sonia Jackson,2013-05-13 Based on research from the Thomas Coram Research Unit the contributors to this text look at the views and experiences of young people and provide an encouraging outlook of what those in care have the potential to achieve Those factors that help to result in more successful outcomes are identified and policy recommendations are made for enabling young people in and leaving care to triumph when the odds are stacked against them In Care and After adds a new dimension to the current literature on local authority care of young people and children Those working within the fields of social care health and education as well as students on social work courses will find this essential reading and a welcome addition   **Missing Persons** Karen Shalev Greene,Llian Alys,2016-10-14 A missing person is an individual whose whereabouts are unknown and where there is some concern for his or her wellbeing In the UK around 250 000 people are reported missing every year with the majority being children under the age of 18 Despite the fact that missing persons are a social phenomenon which encompasses vast areas of interest relatively little is known about those who go missing what happens to them while they are missing and what can be done to prevent these incidents from occurring This groundbreaking book brings together for the first time ideas and expertise across this vast subject area into one interconnected publication It explores the subjects of missing children missing adults the investigative process of missing person cases and the families of missing persons Those with no prior knowledge or professionals with focused knowledge in some areas will be able to expand their understanding of a variety of topics relevant to this field through detailed chapters which advance our understanding of this complex phenomenon discuss what is unknown and suggest the best and most important steps forward to further advance our knowledge   *Young People on the Margins* Loic Menzies,Sam Baars,2021-03-30 Our society leaves too many young people behind More often than not these are the most vulnerable young people and it is through no fault of their own Building a fair society and an equitable education system rests on bringing in and supporting them By drawing together more than a decade of studies by the UK s Centre for Education and Youth this book provides a new way of understanding the many ways young people in England are pushed to the margins of the education system and in turn society Each contributor shares the personal stories of the young people they have encountered over the course of their fieldwork and practice combining this with accessible syntheses of previous studies alongside extensive analysis of national datasets and key publications By unpicking the many overlapping factors that contribute to different groups vulnerability the book demonstrates the need to understand each young person s life story and to respond quickly and collaboratively to the challenges they face The chapters conclude with action points highlighting the steps individuals institutions and policy makers can take to bring young people in from the margins Young People on the Margins showcases first hand examples of where these young people s

needs are being addressed and trends bucked drawing out what can and must be learned for teachers leaders youth workers and policy makers **Parent's Guide to the Residential Special Schools Standards** Jonathan Stanley,2004-01-01 Residential special schools in England must follow rules or Standards that are set by the government This guide tells you what the rules are and how they apply to your child s school Use this full colour guide for parents to find out what is expected of residential special schools and the staff who work in them how you can help the people caring for your child and the information you should receive This guide provides the wording of each Standard advice about good practice and a list of questions you can use to ensure that the care of your child is up to standard This parent s guide to residential special schools is part of the series of guides about the National Minimum Standards for Residential Special Schools There are two other guides available one for staff and one for children and young people **Effective Practice with Looked After Children** Robin Sen,2018-03-30 Since the key developments that policy and research have undergone over the course of the past years meeting the specific needs of looked after children is a priority for modern social work policy and practice This comprehensive text combines an accessible overview of statutory policy and legislation with analysis of core theories and interventions to provide a guide for effective practice with children in all care settings by Covering legislation as well as research based analysis of the key interventions and practice methods in the field Meeting market needs students and practitioners struggle with the dearth of specific material on looked after children this text supports them in a core component of social work study and practice Consolidating learning through its use of reflective questions case studies exercises and research analysis This book offers an accessible overview of the care context in Britain and is essential reading for students and practitioners wishing to develop effective practice within childcare *Begging questions* Dean, Hartley,1999-09-16 Begging is widely condemned but little understood It is increasingly visible yet politically controversial Recent changes in British social security housing and mental health provision can be seen to have exacerbated the extent of begging in the UK and its persistence is an indictment of the failures of social policy throughout the Western world Though begging is intimately linked to issues of street homelessness mental health substance abuse and social exclusion this book specifically focuses on begging as a distinctive form of marginalised economic activity It looks at the significance of face to face contact between beggars and passers by the preoccupation with the classification of beggars the stigma associated with begging and judgements required by the passer by the place of begging in the spectrum of informal economic activity The book provides a comprehensive overview and will stimulate theoretical policy and methodological debates driving forward the research agenda It is important reading for researchers academics and students in social policy social work sociology politics and socio legal studies and also for social work practitioners and particularly policy makers **Parental Substance Misuse and Child Welfare** Brynna Kroll,Andy Taylor,2003 Focusing on the needs of children of substance misusing parents and the dilemmas faced by professionals working with them this comprehensive book brings together for the first time theoretical and practice issues for all those

involved with the crossover between responses to drug and alcohol problems and child welfare Describing the effects of substance misuse on good enough parenting and attachment and taking into account theories about substance use the authors analyse the issues facing children including the impact on psychological and emotional development Emphasising the importance of developing holistic approaches involving both child care and drug and alcohol agencies as well as families this book presents a practical model for risk assessment and intervention that balances the competing needs of parents and their children It is an essential resource for all those working or training to work in the fields of child welfare substance misuse health education and criminal justice **Identifying Emotional And Psychological Abuse: A Guide For Childcare Professionals** O'Hagan, Kieran,2006-06-01 The principal objectives of this book are to enable childcare workers to understand and deal more effectively with cases of emotional and psychological abuse The concepts of emotional development emotional abuse psychological development and psychological abuse are fully explored and clearly defined within the contexts of Existing literature and research Childcare legislation and practice Child abuse enquiry reports in particular that of Victoria Climbi The book identifies emotional and psychological development and abuse in specific age categories 0 4 5 12 and adolescence Case studies and vignettes are used to highlight normal development and abusive situations Comprehensive frameworks which are easily applicable to current practice are provided enabling workers to observe and accurately assess the quality of emotional and psychological life of children Identifying Emotional and Psychological Abuse is key reading for health and social care professionals as well as students with an interest in child protection **Children in State Care** June Thoburn,2017-03-02 This volume brings together a selection of the most influential and informative English language refereed journal articles on children in out of home care their birth relatives and carers The articles which include empirical research and critiques of policy and practice are mainly from the UK and USA but include some coverage of child placement policy and practice in Australia and mainland Europe The volume starts with a joint introductory chapter by the two distinguished authors one American one British reviewing the state of knowledge on children in care and drawing attention to other important sources not included as chapters **Gendered Risks** Kelly Hannah-Moffat,Pat O'Malley,2007-11-13 This international collection of edited interdisciplinary papers analyzes what is currently known about gendered risks and identifies some new directions and challenges for research and theory *Caring for Abused and Neglected Children* Nina Biehal,Jim Wade,Nicola Farrelly,Ian Sinclair,2011-08-15 This book compares the experiences and progress of children who remained in care or returned to their birth families up to four years after the decision was taken It covers how the decision is made the factors taken into account when making it and provides important suggestions for effective decision making **Implementing restorative justice in children's residential care** Hayden, Carol,Gough, Dennis,2010-07-01 Restorative justice RJ and restorative approaches RAs are becoming increasingly valued as a way of responding to a wide range of conflicts including problem and offending behaviours The growth in the use of RJ and

RAs has been described as a global social movement that sets out to repair harm reduce conflict and harmonise civil society This report takes a close look at the implementation of an RJ approach in the challenging environment of children s residential care homes It will appeal to people who are interested in the use of RJ particularly its use with children and young people as well as those interested in problem and offending behaviours in relation to children in care **Young People, Housing and Social Policy** Julie Rugg,2002-01-22 Presenting up to date empirical research on the subject of young people housing and social policy in contemporary Britain this book considers the issue of young people s early housing histories in the context of a range of government policy initiatives aimed at the group It offers a critique of aspects of social policy that specifically address the housing of young people Topics covered include young people leaving care young people in the parental home youth homelessness housing services for young people students in the private rented sector young owner occupiers housing benefit for the under 25s young single parent families young people and housing in rural areas social housing **Children and Young People's Worlds** Montgomery, Heather,Kellett, Mary,2009-07-08 This reader promotes critical engagement with a range of international perspectives about children s and young people s worlds One of the defining features is the focus on both global and local issues and their impact on children s lives This reader emp *Safeguarding Babies and Very Young Children from Abuse and Neglect* Harriet Ward,Rebecca Brown,David Westlake,2012 This book examines child protection issues in relation to babies and young children at risk of abuse Based on a study which followed babies until they were 3 years old it examines how safeguarding decisions are made and how they impact upon the lives of the children including their development It provides key messages for policy and practice Approaches to Needs Assessment in Children's Services Harriet Ward,Wendy Rose,2002 Examining the assessment of need in children s services this book addresses the full spectrum of practice policy and research developments in the field The contributors include leading academics policy makers and senior practitioners who generate a broad based holistic approach to the assessment of children in need They show how needs assessment in children s services can be used to tackle problems such as low achievement mental ill health and social exclusion at both individual and strategic levels Approaches to the Assessment of Need in Children s Services will enable service managers and practitioners to respond effectively to the increasing pressure to monitor outcomes and effectiveness in child care work and to improve and coordinate children s welfare service provision at individual and community levels and provides an indispensable overview and analysis for anyone working or studying in child welfare and social care **Child Welfare Services for Minority Ethnic Families** June Thoburn,Ashok Chand,Joanne Procter,2005 Based on extensive studies into child welfare services this important book brings together research into what works in service provision for minority ethnic families Reviewing studies of the nature and adequacy of the services provided and the outcomes for the children and their families this book provides much needed guidance for policy and practice around issues of cultural and ethnic background and identity and puts forward suggestions

for future research The authors consider in particular the complex needs and identities of minority ethnic families who might use child welfare services how families using social services view current practice the impact of the formal child protection and court systems on ethnic minority families placement patterns and outcomes for children from the different minority ethnic groups who are in residential care foster care or adopted cultural issues and matching the social worker to the family Drawing on current government statistical returns and the 2001 national census this wide ranging analysis challenges dated research and practice and proposes a revisionary agenda for future research and culturally sensitive child welfare practice making it essential reading for all child welfare professionals

As recognized, adventure as skillfully as experience virtually lesson, amusement, as well as pact can be gotten by just checking out a ebook **Going Missing Young People Absent From Care** along with it is not directly done, you could agree to even more as regards this life, in relation to the world.

We meet the expense of you this proper as without difficulty as easy quirk to get those all. We have the funds for Going Missing Young People Absent From Care and numerous book collections from fictions to scientific research in any way. in the course of them is this Going Missing Young People Absent From Care that can be your partner.

Going Missing Young People Absent From Care Introduction

In the digital age, access to information has become easier than ever before. The ability to download Going Missing Young People Absent From Care has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Going Missing Young People Absent From Care has opened up a world of possibilities. Downloading Going Missing Young People Absent From Care provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Going Missing Young People Absent From Care has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Going Missing Young People Absent From Care. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Going Missing Young People Absent From Care. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Going Missing Young People Absent From Care, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Going Missing Young People

Absent From Care has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
