Going On Around Here:

Where Do I Go from Here? Torrey C. Butler, 2020-12-17 Winner in the Motivational category for the Next Generation Indie Book Awards 2021 SAN FRANCISCO BOOK FESTIVAL Honorable Mention This book is about a young man who overcame numerous serious obstacles to achieve more than he thought possible Torrey Butler describes his experiences as to help others who are also seeking a better way forward offering advice and encouragement The story is told with humor and compassion This book is intended for the teenage young adult category from age 13 to 26 Readers will empathize and find inspiration from relating their own personal experiences to those presented in the book They will feel connected and confident to be no one else but themselves after reading this Book Review 1 Torrey is wise for his years as he demonstrates the power to rise from a tough childhood to college graduate now a role model for resilience One of the best biographies I've ever read Next Generation Indie Book Awards Judge Book Review 2 The author tells his story with humor and compassion Readers will empathize with him and find inspiration in his memoir Lydia Bowman Elite Authors **This Lady Here** Carol Ann Rusch, 2010-06 This book is one person's travels through a catalogue of nightmare experiences Anyone who has suffered through divorce of any form knows this one Abuse of various natures are present in this autobiography Not so much the cure for but mostly the acceptance of and forgiveness ability The emotional healing process does call for the time element unfortunately However this book tells about different aspects of ways and means to this beautiful end This book is not for people looking for a quick fix or a way out Abstinence from alcohol is a tool which many people have used as a problem solver This book is only one person's life under both chronic inebriation and total abstinence conditions There are many adventures where the reader might question the physical influence under which the author was operating Even without the alcoholic consumption by the author the behavior when compared to the behavior of a well adjusted individual are incredibly different People who have loved or been loved by those who are immediately involved with alcohol or drugs may gain a deeper understanding of the total situation Also the author hopes that some comfort to the reader will take place upon the realization that they are not alone The greatest gift the author has received from life is PEACE ON EARTH **Letting Go - Here and Now** Jean Whitred, 2023-12-19 Readers are invited to witness the struggle within the mind of a simple seeker when her thinking is challenged by a formless intelligence Letting Go is a personal study with Spirit or my own unconscious mind concerning the struggle to release myself from the stress of holding on to people places things and relationships that no longer seem to serve me well if they ever did I'm sure that I'm not alone in holding on at almost any cost to a past that may have been an illusion Letting go itself may be an illusion if there was nothing to hold on to but an illusion or a hope that it might become real if we just hang in there It's so stressful to play that game If we can learn to just let it all be as it is and accept that letting go doesn't make anything go away we can learn to relax and enjoy what we can and let everything else just be as it seems determined to be anyway Words of wisdom Let it be **Love Me** Catherine M. Clifton, 2012-05 From the

outside Rhonda Brown appears to be a normal straight A college student in Tallahassee Florida In reality she s a drug dealer fashioning cocaine into high priced and highly sought after dolls Justifying her crimes she believes she was forced into this lifestyle after the death of her parents after all she needs the money to support her and her older sister Caroline But Rhonda s patience with Caroline who is battling her own demons is coming to an end Anything to do with Caroline is a lose lose situation and Rhonda is ready to get out Just as she plans to leave Caroline hints there is more to her sad life story than drugs prostitution and self loathing Unwilling to let go Rhonda initiates her own investigation into Caroline s past and what she uncovers hits her and everyone around her like a whirlwind Rhonda soon discovers the story she has always known about her life is actually nothing but a lie Surrounded by drugs lies and a long list of betrayals Rhonda must come to terms with the decisions she has made and the journey she takes to get there will change her life forever *Ghost in a Coal Mine* Johnny Napier,2013-04-23 A Ghost in the Coal Mine is a mixture of past and present good against evil It pushes the limit on the supernatural and what we feel could exist giving us a look inside the coal mines and the dangers that even today the men working the mines face with cave ins and explosions The mines are dark dangerous places to work or even to walk into When you add the unthinkable unnatural evils of demons and ghosts and our everyday fight with good and evil it sends chills down your spine Would you put your life on the line to go into the darkness of the underground to bring men dead or alive back to their families Could you fight the unthinkable to do what is right **Ten Lectures on Applied Cognitive Linguistics** John Taylor,2018-03-20 A series of 10 lectures on various aspects of Cognitive Linguistics as these relate to matters of language teaching and learning Topics addressed include the role of categorization the nature of rules the encyclopaedic scope of semantics spatial expressions metaphor and metonymy nouns and nominals tense and aspect and the theoretical status of the phoneme **THAT I'M NOT, I'LL NEVER BE** Appahummie the Author,2023-05-01 When Appahummie Dotts enters the Cook County Jail his guilt or innocence is irrelevant to staying alive amid all the violence and chaos headed his way As an eighteen year old he can hardly believe that he s in the belly of the beast with grown seasoned criminals most of them without anything to lose He weighs 130 pounds soaking wet but he knows how to protect himself and is smart enough to mind his business In this dramatized account the author looks back on how he found himself in the Cook County Jail among killers robbers rapists and drug dealers from all walks of life He also reveals what it s like to be in the Cook County Jail fighting for your life Moreover he shares the frustration of being in the Cook County Jail recalling how some days he asked the Lord for strength and if the days would ever change Each one seemed more miserable than the next making it that much harder to keep going on *The New Yorker* Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1928 *Dear Cathy ... Love, Mary* Catherine Conlon,Mary Phelan,2015-10-01 Poignant funny and highly readable Would make a wonderful present Sue Leonard Examiner A real snapshot in time a celebration of female friendship fantastic such a good read Irish Times Women s Podcast Engaging tender and true and

spiced with wit and no little wisdom RTE Guide Heart warming nostalgic the letters brim over with the kind of humour and honest reflection that only best friends exchange Irish Independent I highly recommend this unusual and fantastic book It s a great trip down memory lane Librarian Lavender Isn t it great Cathy being where we are age wise I mean I really enjoy being 18 cos you have a degree of independence and yet you can act the gom if you want cos we re not all grewed up yet I don t know if I agree about it being great being 18 I m kinda apprehensive waiting for it all to come I think 22 23 d be better Then you d be sophisticated and knowledgeable It s the era of Dynasty Murphy s Micro Quiz M and MT USA on the telly Kajagoogoo Culture Club and Chris de Burgh in the charts And also a time of mass emigration and creeping social change In 1983 in Carrick on Suir two 18 year olds take tentative steps into the future Cathy to become an au pair Mary to study accountancy For a year they exchange long gossipy letters The letters are touching funny tender and gutsy They show the girls growing pains as they make sense of their new lives dream about finding love and start to realise that the world is a more complex and challenging place than they had ever imagined Most of all Cathy and Mary s letters are filled with the eternal optimism and sense of wonderment of youth
