Business Funded gives you the full range of options for raising capital in today's challenging economy. Covering everything from bank loans to angel investors to equity financing to more unorthodox methods, this complete guide uses clear, easy-to-understand language to explain each approach. Divided into two sections, Sources and Funding and What You Need to Know, it explains such unorthodox financing sources as peer-to-peer lending, online grants, business plan competitions, and the friends and family plan. It reveals untapped funding streams available through the government. Follows on the success of the author's previous work, The Small Business Bible. Pick up this reader-friendly guide and discover the many ways you can get your business funded right now.

Mind, Business, and Success Stantisha Kemp, 2017-10-25 There is a remedy to building success. A person has to be in the right state of mind and has to have a workable plan and several income generators. You are how you work. Eight out of ten new businesses fail in the first five years. Nine out of ten people actually reach their goals. Still wondering why only 10 percent of the population is successful? This book will break down three key behaviors of successful people. What successful people do. How successful people build great businesses. What successful people include in their portfolio. It's time to put the thought into action. Take what you already know, elevate it, and bring it to life.

Accounting and Finance for the NonFinancial Executive Jae K. Shim, 2000-06-22 Have you recently been promoted? Are you starting a new business? Whether you are a newly promoted middle manager or executive, a marketing manager, or a

Extraordinary Entrepreneurship Stephen C. Harper, 2006-12-13 The 21st Century brings all new rules. Entrepreneurs are challenging conventional wisdom and thinking outside the box. One of the first challenges involves challenging the assumption that a business has to be big to be successful. While most of the 20th century heralded big businesses, it is clear that businesses no longer have to be big to do big business. Now it is possible for a handful of people to operate a global business from virtually any place on the planet. Today the keyboard has overtaken the boardroom. Financial markets, alliances, and joint ventures have eliminated the need for entrepreneurs to put up substantial capital investments. Today's businesses are driven by ideas, innovation, and execution. This book will show entrepreneurs and business leaders will provide CEOs and entrepreneurs with the tools that they will need to become leaders in their market.
