Hidden Gems Evelyn Burns, 2017-09-19 Fornication is the oldest theme of history embedded in the human psyche The scope of fornication needs to be expanded for clearer understanding in respect to our youth the reason why youths do not view fornication outside of a physical sexual encounter between two people This education should first begin in the home and then in the church and should be taught from a biblical aspect breaking down how the body on a whole not just in portion is used

to fornicate against God It merges fornication through the concept of a sexual nature This book breaks down the boundary of spiritual versus physical

Popular Modernism and Its Legacies Scott Ortolano,2017-12-14 Popular Modernism and Its Legacies reconfigures modernist studies to investigate how modernist concepts figures and aesthetics continue to play essential though often undetected roles across an array of contemporary works genres and mediums Featuring both established and emerging scholars each of the book s three sections offers a distinct perspective on popular modernism The first section considers popular modernism in periods historically associated with the movement discovering hidden connections between traditional forms of modernist literature and popular culture The second section traces modernist genealogies from the past to the contemporary era ultimately revealing that immensely popular contemporary works artists and genres continue to engage and thereby renew modernist aesthetics and values The final section moves into the 21st century discovering how popular works invoke modernist techniques texts and artists to explore social and existential quandaries in the contemporary world Concluding with an afterword from noted scholar Faye Hammill Popular Modernism and Its Legacies reshapes the study of modernism and provides new perspectives on important works at the center of our cultural imagination
