commit a diverse range of criminal activities Today s online crime includes attacks against computer data and systems identity theft distribution of child pornography penetration of online financial services using social networks to commit crimes and the deployment of viruses botnets and email scams such as phishing Symantec s 2012 Norton Cybercrime Report stated that the world spent an estimated 110 billion to combat cybercrime an average of nearly 200 per victim Law enforcement agencies and corporate security officers around the world with the responsibility for enforcing investigating and prosecuting cybercrime are overwhelmed not only by the sheer number of crimes being committed but by a lack of adequate training material This book provides that fundamental knowledge including how to properly collect and document online evidence trace IP addresses and work undercover Provides step by step instructions on how to investigate crimes online Covers how new software tools can assist in online investigations Discusses how to track down interpret and understand online electronic evidence to benefit investigations Details guidelines for collecting and documenting online evidence that can be presented in court

McMillions James Lee Hernandez, Brian Lazarte, 2024-08-06 In this stranger than fiction story of the massive crime network that rigged the McDonald s monopoly game for decades unlock new exclusive interviews and stories that couldn t make it into the HBO docuseries McMillion Perfect for readers of Argo The Wizard of Lies and Enron The Smartest Guys in the Room In March of 2001 Federal prosecutor Mark Devereaux cold called Rob Holm the head of security for McDonald s Corporation Without explanation Devereaux asked that Holm and several other McDonald s senior executives plan a visit to the Jacksonville Florida FBI and tell no one about their intended destination It wasn t up for discussion Upon their arrival Devereaux watched them closely looking at body language checking for tells To him they were all potential suspects Once they were seated in an unremarkable conference room sealed away in the hyper secure FBI building Devereaux began to lay out a shocking conspiracy one that ran deep into McDonald s most beloved promotions the Monopoly game This is where they began to discover from 1989 to 2001 almost every high value prize winner was actually illegitimate But how could this happen and who all was behind it A rookie FBI agent and a brilliant undercover operation led them to one man who brilliantly crafted a near infallible nationwide conspiracy for fraud Expanded from the wildly popular HBO docuseries with major new interviews McMillion traces this massive crime the intricate web of lies that bolstered it and the tireless work of the FBI agents that unraveled it all It is a story littered with tragedy families torn apart betrayals financial ruin and one suspicious car crash Yet there are bright spots in the hijinks of the FBI agents and their co conspirators Ultimately it is a story of what happens when the American dream goes very wrong

[A Jar of Wild Flowers](#)
Yasmin Gunaratnam, 2016-11-05 John Berger has made the world a better place to live in These essays tell us how he succeeded in that task Arundhati Roy In this collection of essays on the work of and conversations with John Berger thirty seven of his friends artistic collaborators and followers come together to form the first truly international and cross cultural celebration of his interventions Berger has for decades through his poetic humanism brought together geographically

historically and socially disparate subjects His work continues to throw out lifelines across genres times and types of experience opening up radical questions about the meaning of belonging and of community In keeping with this spirit and in celebration of Berger the short essays in *A Jar of Wild Flowers* challenge us all to take the brave step from limited sympathy to extended generosity With contributions from Ali Smith Julie Christie Sally Potter Ram Rahman Jean Mohr Nick Thorpe Hsiao Hung Pai and many others

Qualitative Approaches to Criminal Justice Mark Pogrebin, 2003 The growth in popularity of qualitative research in the social sciences over the last two decades has been nothing short of amazing *Qualitative Approaches to Criminal Justice Perspectives from the Field* reveals some of the reasons for the success and stature of this unique methodological approach Exploring the real life experiences of criminal justice professionals this anthology is the first book to focus solely on the use of qualitative research in various components of the criminal justice system The collection is organized from two criminal justice perspectives one qualitatively oriented and the other system oriented including overviews of each qualitative method and commentaries that analyze the research techniques Case studies illustrating actual fieldwork practices bring theory vividly to life *Qualitative Approaches to Criminal Justice Perspectives from the Field* is multi faceted in both its content and application Through its investigative techniques which rely mainly on observations participant observation and open ended interviews qualitative research reveals parts of the social world that remain hidden to more traditional methodological techniques Recommended as a companion to an administration of criminal justice course as well as courses in qualitative research in criminal justice Also recommended as a supplemental text for any research methods course in a criminal justice degree program including sociology political science and legal studies

Deep Cover Shay Doyle, Scott Hesketh, 2022-03-03 Shortlisted for the Book of the Year and Audiobook of the Year at the 2023 True Crime Awards Street kid turned undercover cop This time he wasn't getting up Neither were the two young women he'd just murdered The two unarmed young police officers he cut down in a hail of 32 bullets and the fragments of a grenade ending their promising lives so savagely so senselessly I felt empty Cold How had it come to this Shay Doyle grew up on a tough Manchester council estate where drugs and gangs were rife A life of crime would have been an easy path to take So it went against everything that was expected of him when he joined the police It wasn't long before Shay's prodigious talent caught the attention of the top and he was called upon to join the secret Level 1 undercover unit Omega He was given a new identity and his DNA and fingerprints were removed from the national database In a distinguished covert career spanning 17 years Shay led covert operations tackling high profile murder cases and came face to face with some of Britain's most dangerous gangsters often risking his own life But there would be a heavy price to pay for a life in the shadows where any mistake could have lethal consequences

Death Knocks Twice Robert Thorogood, 2018-06-18 If you like Agatha Christie then you'll love Robert Thorogood Seconded from rainy London to the sweltering heat of the Caribbean island of Saint Marie DI Richard Poole would rather be having a pint at his local pub But when a body is discovered at the Beaumont

plantation DI Poole must put aside his woes and solve the murder Despite the fact the victim was found in a locked room holding a smoking gun Poole is convinced this is not a suicide When another body turns up the hunt is on for the killer and the evasive Beaumont family are rather suspiciously no help at all The third novel in the Death in Paradise Mysteries is perfect for fans of T E Kinsey Heron Carvic and Caroline Graham Praise for Robert Thorogood Death in Paradise feels like a ray of sunshine Mirror Plenty of red herrings and twists to keep readers guessing Daily Express A treat Radio Times

The Universal Journalist David Randall, 2021-03-20 Easily the best introduction to being a reporter Press Association This is the only how to book on journalism written by writers and editors who have operated at the top level in national news It has long been the go to book of advice for young reporters This edition includes a chapter on social media and is extensively updated throughout with new content from Jemma Crew an award winning national news journalist The book emphasises that good journalism must involve the acquisition of a range of skills that will empower trainees to operate in an industry where ownership technology and information are constantly changing This handbook includes tips and tricks learned from working at the very top of the business and is an invaluable guide to the universals of good journalistic practice for professional and trainee journalists worldwide
