Roundtable Discussion on Recent Developments in East Germany United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East,1990 Going to School in East Asia Gerard Postiglione,Jason Tan,2007-09-30 Education in east Asia varies widely due to the cultural and political histories of each country The communist governments of China North Korea and Vietnam mandate schooling differently from the limited democracy of Hong Kong and the parliamentary government of Japan The history of the educational philosophies systems and curricula of seventeen East Asian countries are described here with a timeline highlighting educational developments and a special day in the life feature a personal account of what it is like for a student to attend school in that country 60 Going on Fifty Ed Poole,Kathi Poole,2010-06-15 The stories in this book are about sixteen men stories of the memories we created throughout our high school years and stories of the separate roads we have traveled since May 1960 Introd *New York Walk Book* Raymond H. Michael Beschloss on the Cold War Michael Beschloss,Strobe Talbott,2018-11-06 Riveting accounts of the Cold War power struggles from the New York Times bestselling author and nation s leading presidential historian Newsweek The Crisis Years A national bestseller on the complex relationship between President John F Kennedy and Soviet Premier Nikita Khrushchev this definitive history covers the tumultuous period from 1960 through 1963 when the Berlin Wall was built and the Bay of Pigs invasion and the Cuban Missile Crisis brought the United States and Soviet Union to the brink of nuclear war David Remnick The New Yorker Impressively researched and engrossingly narrated Los Angeles Times Mayday On May Day 1960 Soviet forces downed a CIA U 2 spy plane flown by Francis Gary Powers two weeks before a crucial summit This forced President Dwight Eisenhower to decide whether to admit to Nikita Khrushchev and the world that he had secretly ordered the flight Drawing on previously unavailable CIA documents diaries and letters as well as the recollections of Eisenhower s aides Beschloss reveals the full high stakes drama One of the best stories yet written about just how those grand men of diplomacy and intrigue conducted our business Time At the Highest Levels Cowritten with Strobe Talbott At the Highest Levels exposes the complex negotiations between President George Bush and Soviet Premier Mikhail Gorbachev In December 1989 the Berlin Wall had fallen millions across the Eastern Bloc were enjoying new freedoms and the USSR was crumbling But a peaceful end to the Cold War was far from assured requiring an unlikely partnership as the leaders of rival superpowers had to look beyond the animosities of the past and embrace an uncertain future Intimate and utterly absorbing The New York Times **The Killing Fields of East New York** Stacy Horn,2025-01-28 In this groundbreaking work of investigative journalism and true crime Stacy Horn sheds light on how the subprime mortgage scandal of the 1970s and a

long history of white collar crime slowly devastated East New York a Brooklyn neighborhood that would come to be known as the Killing Fields On a warm summer evening in 1991 seventeen year old Julia Parker was murdered in the Brooklyn neighborhood of East New York An area known for an exorbitant level of violence and crime East New York had come to be known as the Killing Fields In the six months after Julia Parker s death 62 more people were murdered in the same area In the early 1990s murder rates in the neighborhood climbed to the highest in NYPD history East New York was dying But how did this once thriving diverse family neighborhood fall into such ruin The answer can be found two decades earlier In response to redlining and discriminatory housing practices the Johnson administration passed the Housing and Urban Development Act in 1968 The Federal Housing Authority aimed to use this piece of legislation to help low income families of color finally achieve homeownership But they could never have predicted how banks lenders realtors and corrupt FHA officials themselves would use the newly passed law to make victims of the very people they were supposed to help and the devastation they would leave in their wake A compulsively readable hybrid of true crime and investigative journalism The Killing Fields of East New York reveals how white collar crime reduced a prospering neighborhood to abandoned buildings and empty lots Following the dual threads of the hunt for the network of criminals behind the first subprime mortgage scandal and the ensuing downfall of East New York Stacy Horn weaves a compelling narrative of government failure a desperate community and ultimately the largest series of mortgage fraud prosecutions in American history The Killing Fields of East New York deftly demonstrates how different types of crime are profoundly entangled and how the crimes committed in nice suits and corner offices are just as destructive as those committed on the street **Famine Relief for East Timor** United States.
