## Going To Iran:

**Going to Iran** Kate Millett, 1982 A new book by Kate Millett one of our most important feminists is always a major literary event and *Going to Iran* illustrated with dramatic photographs by Sophie Keir is a powerfully political and beautifully written work Iran has been in the international headlines continuously for more than three years the Shah's expulsion his sickness and death the struggles before the Ayatollah Khomeini dropped the curtain to the world the taking of the hostages Millett had worked for many years with a humanitarian group of Iranian dissenters CAIFI the Committee for Artistic and Intellectual Freedom in Iran which protested conditions under the Shah After his downfall when Iran was poised between a new democracy and religious totalitarianism Iranian feminists sent an urgent plea to their sisters around the world as they began to organize an Iranian women's movement to protect their threatened rights Kate Millett and Sophie Keir answered the call and they were among the very few Americans to see that nation in the nascent stages of revolution *Going to Iran* is the dramatic highly personal account of their extraordinary stay in the new Iran where they made friendships with courageous Iranian women but where they were defamed and threatened with death where one can get seventy five lashes for taking a drink where homosexuals and children are arbitrarily executed Millett decries the Shah who presented a civilized face to the world but kept vats of acid to dispose of his torture victims but she decries the Ayatollah as well for sanctioning the fanaticism of Moslems who disrupt women's rallies attacked women demonstrators even schoolgirls and threatened all those who refused to wear the chador veil which the new regime has made a compulsory symbol of female submission

### **Going To Iran Introduction**

In today's digital age, the availability of Going To Iran books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Going To Iran books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Going To Iran books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Going To Iran versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Going To Iran books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Going To Iran books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Going To Iran books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Going To Iran books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Going To Iran books and manuals for download and embark on your journey of knowledge?
