expectation and wildest imagination New friends will come your way to replace those who left Your family will come through whatever challenges they have been facing and God will bring a spirit of understanding and forgiveness You were designed with an endurance capability and whatever you go through he tested you for it in advance and you passed There is nothing that will hold you back unless you give it permission to Whatever you set your mind to do you will achieve because that is where your heart will be He knows the potency he put in you He knows the acumen he put in you and He knows you will not break under any weight or pressure God knew you would be tried and tested like Jesus was but nothing will break you God put in you a resilience power when you are down you will easily rise up and carry on He put in you a wake up power that puts you back in motion even in your weakest moment He put in your heart a new song a song of victory because when he formed you he knew you will be an over comer That is why you never give up that is why something inside you tells you to move on carry on don t stop here That is what this book is about to provide you with a map quest that will guide you from the undesirable location you are at and provide you with ideas of how you can move on with your life Regardless of how far you have gone into the rugged interior you can begin again You creator designed you with the ability to recharge yourself in times of turmoil so that in place of giving up you can restart your life and carry on I pray that this book will lead you to that point where you can ultimately recharge yourself put your life together and carry on
