Goinggoingnuts The Story Had To Be Told:

Technocreep Thomas P. Keenan, 2014 Technology is rapidly moving into our bodies writes cyber expert Keenan and this book gives a chilling look ahead into where that road may lead us on a one way trip to the total surrender of privacy and the commoditization of intimacy Here is the definitive dissection of privacy eroding and life invading technologies coming at you from governments corporations and the person next door Take for example Girls Around Me a Russian made iPhone App that allowed anyone to scan the immediate vicinity for girls and women who checked in on Foursquare and had poorly secured Facebook profiles It combined this information in a way never intended by the original poster Going to a Disney theme park Your creepy new MagicBand will alert Minnie Mouse that you re on the way and she ll know your kid s name when you approach her Thinking about sending your DNA off to Ancestry com for some genetic genealogy Perhaps you should think again your genetic information could be used against you This masterful weaving of the negatives and positives of technology makes for a book that is realistic about technology s perils yet optimistic about it s great potential Foreword Reviews

Going... Going... Nuts! Gregg Miller, 2004-12 Every person and every family across the world goes through the same life cycle They are born raised live and die Every person and every family has their own story to tell Going Going Nuts is one of those more unique stories This true account tells a six year saga of dedication to family of invention and a determination to succeed and survive despite overwhelming odds As you begin and as the story unfolds you will discover why this story had to be told Going Going Nuts is dedicated to all those who are included in this book the good the bad and even the evil A soap opera cast of relatives friends neighbors strangers and even celebrities from all over the world helping to tell this unique story of life society and its ways Going Going Nuts is a story within a story involving the idea of an invention reaching global fame while at the same time being faced single handedly with an Alzheimer s diseased father It tells the birth of an idea the death of a mind and the incredible unthinkable events that followed
