1 Kings John Woodhouse,2018-11-30 The book of 1 Kings outlines the rise and fall of ancient Israel through the stories of fourteen kings It is a book of great victories and devastating failures In its pages are violence betrayal power and politics But no matter how great the accomplishments or evil the deeds none of these kingdoms built by human kings could last John

Woodhouse walks us through this book passage by passage as it reveals how God's purpose for the kings reaches far beyond what they could accomplish in their lifetimes. Their lives are part of a greater story bearing witness about the King of kings, Jesus Christ, the Savior of the world, building and strengthening our faith as we set our eyes on the kingdom that will last forever.

**Saving 80,000 Gold in Another World for my Retirement 1 (light novel)** Funa, 2023-04-18 Mitsuha is your average teenage orphan until one day she falls off a cliff and finds herself in another world strangely akin to medieval Europe. Beset by wolves, she discovers she has the ability to travel freely between the two worlds and decides to make a life for herself in both. Now all she needs to do is save up 80,000 gold coins for a comfortable retirement. Piece of cake, right? No matter how out of control things get, Mitsuha keeps her cool, turning every hurdle into a business opportunity. From shopkeeper to war hero to viscountess, her meteoric rise seems unstoppable, but with each success comes new obligations and new costs. Does every step up just take her further from her goal?

*After the Gold* Erin McRae, Racheline Maltese, 2018-06-12 Love is the biggest prize of all. For over a decade, world champion figure skaters Katie Nowacki and Brendan Reid have been partners in every way but one. But now that their electric on-ice chemistry has led them to Olympic gold, they're retiring from competition. As they cross America on an exhibition tour with their fellow athletes, Katie and Brendan's always volatile relationship becomes more turbulent than ever as they face down the media, their fans, and their increasingly nosy teammates. When Katie realizes she wants to go back to the farm she grew up on, leaving Brendan behind in the city where they trained, their fairy tale seems destined to end. But will Brendan be able to convince her to trust him with the off-ice intimacy that only spelled disaster in their past?

*Days of Gold* Malcolm J. Rohrbough, 1997 Questions about marital obligations and family responsibilities. For those who remained on the farm or in the shop, particularly for the women whose experiences of being left behind have largely been ignored until now, the absences of tens of thousands of men over a period of years had a profound impact, reshaping a thousand communities across the breadth of the American nation.
