Gold Train Tramp No 1:

The Lives and Extraordinary Adventures of Fifteen Tramp Writers from the Golden Age of Vagabondage Ian Cutler, 2020-02-25 The combined events of the end of the American Civil War in 1865 the first transcontinental railroad opening in 1869 and the financial crash of 1873 found large numbers including thousands of former soldiers well used to an outdoor life and tramping thrown into a transient life and forced to roam the continent surviving on whatever resources came to hand For most the life of the hobo was born out of necessity For a few it became a lifestyle choice Some of the latter group committed their adventures to print both autobiographical and fictional and together with their British and Irish counterparts whose wanderlust was fueled by an altogether different genesis they account for the fifteen tramp writers whose stories and ideas are the subject of this book The lives of some like Jack Everson Jack Black and Tom Kromer are told in a single volume others like Morley Roberts and Stephen Graham have eighty and fifty published works to their credit respectively Some remain completely unknown and their books are long since out of print others like Trader Horn and Jim Tully were Hollywood celebrities Others yet such as Black Tulley Horn Bart Kennedy Leon Ray Livingstone and Jack London had their stories immortalized in film *The Golden Argosy*, 1885 *American Dreamers* Clarice Stasz, 2000-01-26 Jack London's stories of adventure in the frozen landscapes of the Yukon and the steamy islands of the South Seas have captured the imaginations of readers all over the world Born into the working class London was a major force in the lively Socialist movement of his day In 1903 he shocked the morals of his country when he left his wife and two young daughters for a spunky spinster five years his senior A new breed of woman Charmian Kitteridge was notorious in the Bay area for daring to ride her horse astride and work in an office unlike proper women of the day As his Mate Woman Charmian contributed to Jack's accomplishments she was his editor transcriber confidante as well as the model for many of Jack's female characters Together they overcame threats to their love that stemmed from Jack's alcoholism infidelities and illness This is a compelling portrait that challenges the long-held view of London as a rough hard drinking womanizer and of Charmian as a passive childish dependent Instead this is a love story and a fascinating portrait of a couple whose courage passion and vitality remain a model of love fulfilled
