Gold In Them Hill Being An Irreverent:

Gold in Them Hills Phil Stong, 1957 **The World Rushed In** J. S. Holliday, 2015-03-16 When *The World Rushed In* was first published in 1981 the Washington Post predicted It seems unlikely that anyone will write a more comprehensive book about the Gold Rush Twenty years later no one has emerged to contradict that judgment and the book has gained recognition as a classic As the San Francisco Examiner noted It is not often that a work of history can be said to supplant every book on the same subject that has gone before it Through the diary and letters of William Swain augmented by interpolations from more than five hundred other gold seekers and by letters sent to Swain from his wife and brother back home the complete cycle of the gold rush is recreated the overland migration of over thirty thousand men the struggle to strike it rich in the mining camps of the Sierra Nevadas and the return home through the jungles of the Isthmus of Panama In a new preface the author reappraises our continuing fascination with the gold rush experience as a defining epoch in western indeed American history **The Gold Crusades** Douglas Fetherling, 1997-12-15 Among the hordes of starry eyed argonauts who flocked to the California gold rush of 1849 was an Australian named Edward Hargraves He left America empty handed only to find gold in his own backyard The result was the great Australian rush of the 1850s which also attracted participants from around the world A South African named P J Marais was one of them Marais too returned home in defeat only to set in motion the diamond and gold rushes that transformed southern Africa And so it went Most previous historians of the gold rushes have tended to view them as acts of spontaneous nationalism Each country likes to see its own gold rush as the one that either shaped those that followed or epitomized all the rest In *The Gold Crusades A Social History of Gold Rushes 1849 1929* Douglas Fetherling takes a different approach Fetherling argues that the gold rushes in the United States Canada Australia New Zealand and South Africa shared the same causes and results the same characters and characteristics He posits that they were in fact a single discontinuous event an expression of the British imperial experience and nineteenth century liberalism He does so with dash and style and with a sharp eye for the telling anecdote the out of the way document and the bold connection between seemingly unrelated disciplines Originally published by Macmillan of Canada 1988 **Six-Guns and Saddle Leather** Ramon Frederick Adams, 1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more **The Rotarian** , 1957-11 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **The Palimpsest** , 1957 American Book Publishing Record Cumulative, 1950-1977 R.R.
