The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Almanac of Current World Leaders** ,1969 Subject Guide to Books in Print ,1975 **Golda Meir** Meron Medzini, 2020-10-22 Golda Meir A Reference Guide to Her Life and Works covers all aspects of her life and work Golda Meir held some of the most important positions her party and country could offer she was a unique personality an impressive leader a highly complex individual Includes a detailed chronology of Golda s life family and work The A to Z section includes the major events places and people in Golda s life The bibliography includes a list of publications concerning her life and work The index thoroughly cross references the chronological and encyclopedic entries **Forthcoming Books** Rose Army, 2003 Annual Report of the Council on Foreign Relations Council on Foreign Relations, 1972 **Congressional Record** United States. Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Whitaker's Cumulative Book List ,1985 Annual Report - Council on Foreign Relations, Inc Council on Foreign Relations, 1972 Includes list of members and by laws Annual Report of the Executive Director Council on Foreign Relations, 1972 Reports for include by laws and list of members American Book Publishing Record ,1988 Books in Print Supplement ,2002 **The Hero in History** Sydney Hook, 2023-04-14 The interaction of the individual in history and politics has posed major theoretical questions of historical analysis for the past two centuries is social destiny shaped by forces beyond the power of the individual or can the future be mastered by collective effort under the outstanding leadership of heroic men and women In this classic study a major philosopher and social theorist of the twentieth century offers a searching examination of the conditions under which individuals make choices that significantly alter the course of historical events and presents a scathing critique of various forms of social determinism that deny the individual freedom of action or a decisive role in history The myth of the hero as the savior of the tribe or nation as Hook notes is older than written history Until the nineteenth century the hero functioned not merely as a cult figure but as a principle of historical explanation a key to the rise

and fall of countries and even of cultures The exaggerations and omissions of this point of view produced an equally simplistic reaction with the formulation of determinist historiographies in which physical racial social and economic forces replaced individuals as the dynamic factors in the development of events Hook singles out orthodox Marxism as the most all encompassing determinist system and subjects the historical thinking of Engels Plekhanov and Trotsky to sharp and meticulous scrutiny Using the Russian Revolution as a test case Hook observes that while the February 1917 Revolution was an inevitable development the October revolution was according to the best historical evidence contingent upon the personality and actions of Lenin In his 1978 reconsideration of the subject of heroism appearing new to this edition Hook defines a middle ground between the extremes of voluntarism and determinism that explains why the presence of strong personalities are decisive under certain conditions while under others key actors would appear to be almost interchangeable He points us toward an understanding of a fascinating problem in history and raises essential questions about the role of great men and women in a democracy The Hero in History will be of interest to intellectual historians philosophers political scientists and sociologists

The Chosen A. Beker, 2008-05-12 The Chosen explores Judaism's key defining concept and inquires why it remains the central unspoken and explosive psychological historical and theological problem at the heart of Jewish Gentile relations Crisscrossing the twin cultural and theological divides between Judaism Christendom and Islam The Chosen explains how the Jews of all people have come to represent at once the epitome of both the good and the odious Beker covers not only the great stories of how the Jews came to be chosen and the Christian Muslim and Nazi efforts to appropriate the title but also the key role chosenness plays in contemporary anti-Semitism and in the current Middle East conflict over the Land of Israel and the chosen city of Jerusalem
