

# The Golden Circle

## "What?"

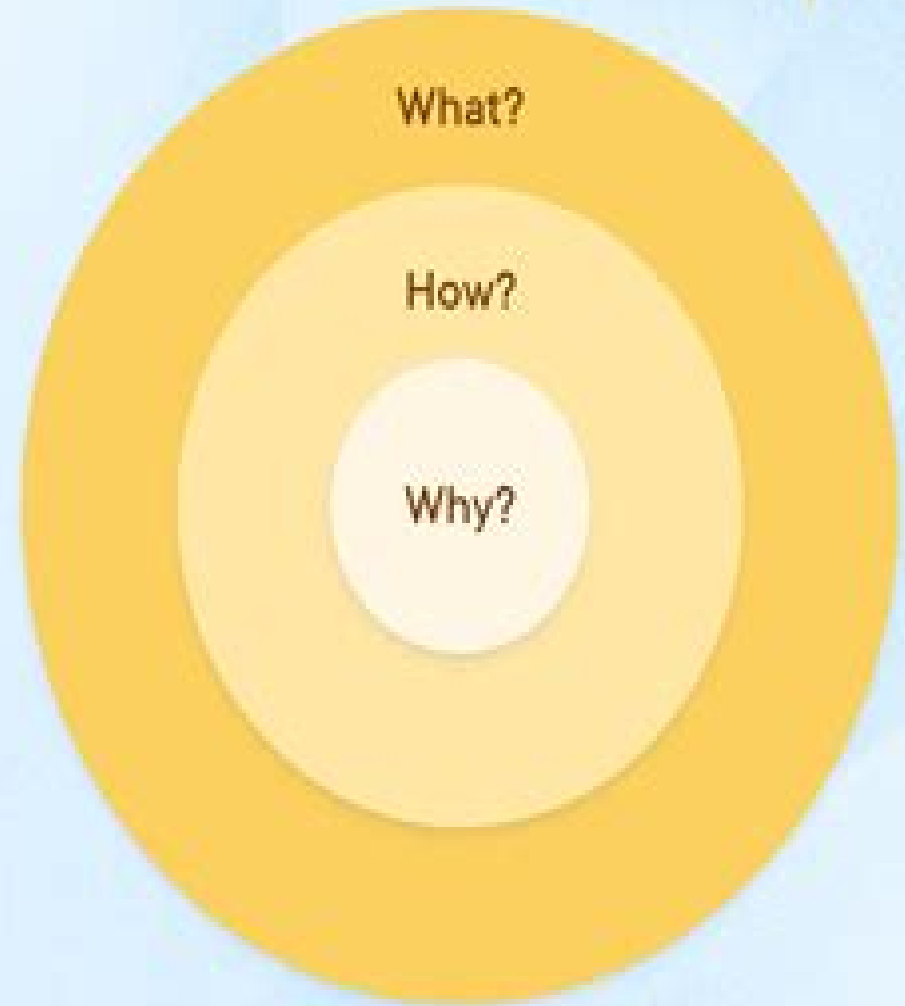

is in the outer circle and relates to every person in a business knowing exactly what they do, 100% of the time.

## "How?"

is in the middle circle, with only some people within an organisation knowing how they do it, and what sets their organisation apart from others.

## "Why?"

is the core of the golden circle - the core of a business as such - where very few people in that company know why they do what they do.
