**Deserter Country** Robert M. Sandow, 2009-08-25 A balanced, compelling study of one rural region in the North where war resistance flourished. Civil War Times: During the Civil War, there were explosions of resistance to the war throughout the Union, from the deadly draft riots in New York City to other less well-known outbreaks. In *Deserter Country*, Robert M. Sandow explores one of these least-known inner civil wars: the widespread, sometimes violent opposition in the Appalachian lumber country of Pennsylvania. Sparsely settled, these mountains were home to divided communities that provided a safe haven for opponents of the war. The dissent of mountain folk reflected their own marginality in the face of rapidly increasing exploitation of timber resources by big firms, as well as partisan debates over loyalty. One of the few studies of the northern Appalachians, this book draws revealing parallels to the War in the southern mountains, exploring the roots of rural protest in frontier development, the market economy, military policy, partisan debate, and everyday resistance. Sandow also sheds new light on the party politics of rural resistance, rejecting easy depictions of war opponents as traitors and malcontents for a more nuanced and complicated study of class, economic upheaval, and localism.

**The Sphinx**, 1924 *Southern Literary Messenger*, 1855

**Southern and Western Literary Messenger and Review** Edgar Allan Poe, 1855 The Southern literary messenger, 1855 The Phantom's Riddle Vitória Mendanha, The brass key felt unnaturally cold in Eleanor Hartwell's palm as she stood before the towering iron gates of Ravenshollow Manor. October mist clung to the Yorkshire moors like ghostly fingers, and the Victorian mansion loomed against the grey sky with an air of forgotten grandeur. She had never expected to inherit anything from her great aunt Cordelia, let alone a sprawling estate that looked as though it had been plucked from a Gothic novel. Eleanor pulled her wool coat tighter against the autumn chill and inserted the key into the gate's lock. The mechanism

turned with surprising ease as if it had been waiting for her arrival The hinges groaned in protest as she pushed the gates open their sound echoing across the moor like a warning The gravel drive crunched beneath her boots as she made her way toward the manor s imposing front entrance Gargoyles perched along the roofline seemed to watch her progress with stone eyes that held too much intelligence for carved rock The windows on the upper floors reflected the grey sky giving them the appearance of blind staring eyes She had received the solicitor s letter three weeks ago informing her that she was the sole heir to Cordelia Hartwell s estate The woman had been a virtual stranger to Eleanor s family mentioned only in whispered conversations that ceased whenever Eleanor entered the room All she knew was that Cordelia had been her grandmother s younger sister a woman who had never married and had spent her life in self imposed isolation at Ravenshollow Manor The front door stood beneath a Gothic arch carved with intertwining roses and thorns As Eleanor approached she noticed that the door stood slightly ajar revealing only darkness beyond She was certain the solicitor had mentioned that the property would be secured yet here was clear evidence that someone or something had been here recently
