Golden Mean In Which The Extraordinary Correspondence Of Griffin And Sabine Concludes:

The Golden Mean, 1993-08 The Griffin Sabine and continued in Sabine s Notebook concludes as the mystery of the two artists deepens and the content of each letter or postcard ultimately reveals the secrets behind their spirited imaginative union Full color throughout **The Golden Mean** Nick Bantock, 1993 Last volume of a trilogy that presents the fictional correspondence between the artist Griffin and a mysterious woman Sabine The letters and postcards are works of art in themselves and readers must actually remove the letters from elaborately decorated envelopes First published in the USA by Chronicle Books 1993 The other volumes are Griffin Sabine and Sabine s Notebook both 1992 **The Epistolary**

Renaissance Maria Löschnigg, Rebekka Schuh, 2018-09-10 Since the late twentieth century letters in literature have seen a remarkable renaissance The prominence of letters in recent fiction is due in part to the rediscovery by contemporary writers of letters as an effective tool for rendering aspects of historicity liminality marginalization and the expression of subjectivity vis vis an other it is also due however to the artistically challenging inclusion of the new electronic media of communication into fiction While studies of epistolary fiction have so far concentrated on the eighteenth century and on thematic concerns this volume charts the epistolary renaissance in recent literature entering new territory by also focusing on the aesthetic implications of the epistolary mode In particular the essays in this volume illuminate the potential of the epistolary including digital forms for rendering contemporary sensitivities The volume thus offers a comprehensive assessment of letter narratives in contemporary literature Through its focus on the aesthetic and structural aspects of new epistolary fiction the inclusion of various narrative forms and the consideration of both conventional letters and their new digital kindred **The Epistolary Renaissance** offers novel insight into a multi faceted re new ed genre Epistolarity in a Post-Letter World

Sindija Franzetti, 2024-11-18 The study intervenes in a field hitherto dominated by formal and historical analyses of the literary letter Across the five case studies the method of reading epistolarity as a motif is applied to a selection of American novels published after 1990 Nick Bantock s Griffin Lish and Dunn test the limitations of letters for conveying individual experience to a distant other Robinson and Erdrich envision epistolarity as an address to a future Exploring the employment of epistolarity as a motif the study offers an interpretation of the messages these fictions extend for readers in a post letter world Communication technologies and practices may change but epistolarity as a motif a reprise of a scene of encounter that depends on keeping a distance between addresser and addressee remains a deeply compelling site of inquiry in twenty first century literature *The Encyclopedia of Fantasy* John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art
