Holmes,Ross N. Kellogg,2004-12-13 Tootology the book is great Out of the box the critics of course blasted the title as an overreach Definitely one toot over the line my friends But the boo's have turned to cheers for the little duo from Upstate New York It is easy to get caught in the hunt for superlatives when one experiences something new Especially for reviewers who wish they were authors themselves We refuse to use the g word as you know The first Son of God the first quest for the great white whale etc make you reach for the greatest moniker But is it not justified in this case The first rigorous dissertation on the golf swing the first philosophic golf novel the first example of the new genre of literary scratch sampling the first planting of organic logic in a novel these my friends are not trivial pursuits I hesitate to add the first team of stand up philosophers for fear some might expect the book to have pop ups None here but this creative work tees off from and aims for stratospheric heights and not of the silly wall calendar variety We welcome you to enter and fall under the spell All especially you non golfers are gladly welcomed Of course the authors quote from my works extensively which is nice perhaps it is the best part Personally I believe the partial reproduction from my works alone is worth the price of admission And folks that is the way to look at this work as the gate to a new world a stream bounded by shores of thought and knowledge as it rushes through the barren canyons of our present society Mr Holmes and Mr Kellogg indirectly make a compelling case that the world we live in is irrational not metaphysically but by our choosing I have had trouble returning from that But what do I know as I am merely a pigment of the printing process I am not into the gist or the geist or the zeitgeist whatever Is searching for the gist of Desolation Row by Bob Dylan helpful in any way at all No you play life as it lies aye there's the rub Our view is holistic and total We do not squeeze for those with challenged attention spans When I was young I used to enjoyed picking the soft white center section from my slice of Wonder Bread separating it from the crust I'd roll it into a ball and perhaps eat it or throw it at my twin sister Henrieta Sometimes we destroyed the whole loaf in this manner My mother discouraged this and she was right a rare and valued comment from the reclusive Mr Holmes Have you ever handled intellectual white water Are you up for the journey Everyone wants to ride the helicopter at least once

Commented by Henry Dribble author of *The Sanctity of the Press* WINNER OF THE MARCEL PROUST AWARD FOR BEST FICTIONAL NOVEL BY A FICTITIOUS AUTHOR **This Golfing Life** Alexander Trocchi, Michael Bamberger, 2006-10

Bamberger's acclaimed intimate profiles of stars such as Tiger Woods, Jack Nicklaus and John Daly combined with stories of the behind-the-scenes people who make the game what it is will remind golfers why they love the game *The Right Side of the Fairway* Ric K. Hill, 2011-08-08 Review If you enjoy golf and you're looking for a light summer feel-good read, this book fits the bill. While the main story centers around golf knowledge or a love of golf is not a prerequisite for enjoyment of this book. Carl H. Goodreads review Book Description Quirky Golf Fiction An offbeat tale with unexpected twists and turns Ben Richards lives for the weekend when he can have fun with his eccentric friends at the golf course affectionately nicknamed Hackin Oaks. The hapless hacker is miraculously transformed into a PGA-caliber golfer when struck on the head by a wayward ball. This incident changes the direction of his life both on and off the course. Now living every golf addict's fantasy as a pro, Ben is befriended by both the top-ranked player in the world and the most powerful man in the industry. He feels invincible. Then tragedy strikes. Forced to adapt to new challenges, he realizes there's more to life than just golf. By adopting an alternative lifestyle that few would choose, Ben learns the true value of friendship and community before resuming his passionate affair with the grand old game. The Inspiration Behind *The Right Side of the Fairway* This book was written in homage to the greatest game of all. I salute all dedicated golfers past and present, professionals, hackers, and those with skills somewhere in between. Although the central theme revolves around golf, the book is also about eccentric personalities finding love when it's least expected and dealing with life-changing challenges. I hope that avid golfers and non-golfers alike will find the story to be interesting, unpredictable, and entertaining *The Kingdom of Shivas Irons* Michael Murphy, 1998-10-13 Michael Murphy's *Golf in the Kingdom* is one of the bestselling golf books of all time and has been hailed as a golf classic if any exists in our day. John Updike and a masterpiece on the mysticism of golf. San Francisco Chronicle *Golf in the Kingdom* introduced Shivas Irons, the mysterious golf pro and philosopher with whom Murphy played a mythic round of golf on Scotland's Burningbush links, a round that profoundly altered his game and his vision. *The Kingdom of Shivas Irons* is the enchanting story of Murphy's return to Scotland in search of Shivas Irons and his wisdom about golf and human potential. Murphy's quest takes him from the mystical golf courses of Scotland across the world to the first Russian Open Golf Championship and finally to Pebble Beach on the California Coast. The result is a delightful exploration of the inner game of golf and a provocative inquiry into our remarkable possibilities for growth and transformation *Spikes* Michael Griffith, 2001 At the virtual end of his inglorious career as a pro golfer, Brian Schwan grants an interview to a flirtatious reporter who has mistaken him for his tournament-winning partner and then agrees to a date that evening, continuing the impersonation *Shanks for Nothing* Rick Reilly, 2007-05-08 The hilarious sequel to Rick Reilly's beloved bestselling golf novel *Missing Links*. Life is going pretty well for Raymond Stick Hart. He's happily married to the former Ponchaquogue Municipal Golf Club assistant pro, the
