Moehring,2016-10-01 Resort City in the Sunbelt is a non sensationalistic scholarly account of Las Vegas from the building of the Hoover Dam to the construction of the MGM Grand Hotel Historian Eugene Moehring provides a balanced view of the city s urban development Although a unique city in many ways Las Vegas has displayed characteristics common to other sunbelt cities across the western United States including underfunded social services low density urbanization with a heavy reliance upon automobiles a sluggish response to problems within minority communities a preference for efficient business

like government and a mania for low taxes The gaming and resort aspects are fully considered but Moehring emphasizes the city as part of the continually expanding sunbelt From this important study historians will conclude that despite some of its unusual traits Las Vegas is much like other western cities and therefore deserves recognition as one of the fastest growing centers in postwar America In a new and expanded epilogue to this edition Moehring looks at the major events of the three decades leading up to 2000 and their underpinnings      **The Everything Freemasons Book** John K Young, Barb

Karg, 2006-03-13 For thousands of years one clandestine organization has been rumored to control the destinies of men cities even nations Freemasonry Often traced back to the stonemason guilds of the Middle Ages Freemasons were supposedly to be found among all the great minds of the Renaissance including Da Vinci The Freemasons have claimed such illustrious personages as Mozart Benjamin Franklin Darwin FDR Churchill W C Fields Herbert Hoover and many others as members Even today Freemasonry boasts Masonic lodges all over the globe The Everything Freemasons Book examines all the aspects of this fascinating organization including myths legends and stories of this ancient order what s true and what s not the closely guarded secret rituals symbols and esoteric arts the Freemasons enemies from the Catholic Church to the Nazis the many controversies surrounding this secret society past and present      **Tourism and Responsibility** Martin

Mowforth, Clive Charlton, Ian Munt, 2008 This book discusses the responsibility or otherwise of tourism activities in Latin America and the Caribbean It considers issues such as the reduction of poverty through tourism and the conflict between increasing volumes of air travel spent in our continuing search for pleasure and the resulting contribution to global warming The authors believe that tourism can only be adequately assessed through a consideration of how it fits into the structure of power It is also argued that tourism cannot be analyzed without a consideration of its impacts on and links with development This relationship between tourism responsibility power and development is explored in chapters covering both the macro and the micro level of responsibility The authors look at methods of practising tourism responsibly or irresponsibly at the personal company national and international levels The questions and dilemmas of placing responsibility in the tourism industry are examined throughout Widely illustrating all these themes and issues with examples and case studies from throughout the sub continent this book will be of importance to students and academics and to the work of practitioners of development and tourism related projects run by both governmental and non governmental aid and development agencies
