scholarly history with a preoccupation for exact dates etc It is simply a personal history my recollections of the old home town during a limited period in the town s history the 40 s 50 s and 60 s I have written in my own way using a flow of words that came to me as I wrote In a town of 8 000 9 000 as Grinnell was in those days you eventually get to know and have some contact along the way with most people My intent was to communicate in simple straight forward terms and was not concerned about presenting it as a triumph in English language grammar
