Golf's Finest Hour Philip Young, 2004 *Golf's Finest Par Threes* Michael Bartlett, Tony Roberts, 2011-04 Orwell Brennan Chief of Police in Dockerty Newry County can't resist digging into the death of a man found in a tree with two arrows in his stomach **The 500 World's Greatest Golf Holes** George Peper, 2003-04-01 Provides descriptions and anecdotes about the greatest golf holes from courses around the world *Open* John Feinstein, 2003-05-01 Tiger Woods has called the U S Open the most difficult national championship With *Open* John Feinstein goes behind the scenes to tell for the first time the full story of how the 2002 U S Open Championship came into being how a public course was transformed into one of the most difficult and surprising in the tournament's history and how the greatest golfers in the world rose to its almost insurmountable challenges The Black course at the public golf club in Bethpage New York has long had a mythic status among golfers Designed by legendary course architect A W Tillinghast in 1936 it is known as a work of genius with long fairways gorgeous vistas and roughs and bunkers that stymie all but the very best golfers It is a course where any player can compete but its cult reputation means that golfers often have to camp overnight in the parking lot to get a tee time the next day The 2002 U S Open at Bethpage Black was the first time in history that golf's greatest championship had been held at a true public course *Open* is the full drama of that championship from the moment that officials first considered holding it there until the last putt rolled in at dusk on Sunday Along the way John Feinstein reveals the full glory of golf as it's never been explored before He digs deep to find out what it really takes to make golf's most famous event worthy of the champions who compete in it He tells the remarkable story of the artisans who transformed the Black from a downtrodden and rough around the edges public course to one that top pros hailed as unbelievable and the toughest par 70 I've ever played in my life He also tracks the drama of the masters who battled for supremacy at the Black Tiger Woods Sergio Garcia Nick Faldo Phil Mickelson Jeff Maggert to show how true champions respond to the toughest conditions *Open* is the story of people who devote their entire lives to golf both behind the scenes and inside the ropes Their struggles and exhilarations as they master the monster known as Bethpage Black make for a story every golf lover will want to read again and again **The Best Public Golf Courses in the United States, Canada, the Caribbean, and Mexico** Robert R. McCord, 1996 This fact packed book is the only one available that provides golfers with information about public golf courses in every one of the fifty states as well as Canada the Caribbean and Mexico Included is a detailed description of each course listing individual holes their length and yardage the course's operating course architects phone and fax numbers tee time reservation policy course hours and earliest tee off green and cart fees credit cards accepted playing season golf packages facilities snack bar club repair practice green driving range locker room etc places to stay nearby local attractions including those that would appeal to children driving directions and the closest commercial airport in short everything the itinerant golfer needs to know The Best Public Golf Courses in the United States Canada the Caribbean and Mexico is a unique and invaluable bible for every

devotee of the game **Two Years in St. Andrews** George Peper, 2008-06-30 The Old Course at St Andrews is to golfers what St Peter's is to Catholics or the Western Wall is to Jews hallowed ground the course every golfer longs to play and master In 1983 George Peper was playing the Old Course when he hit a slice so hideous that he never found the ball But in looking for it he came across a For Sale sign on a stone town house alongside the famed eighteenth hole Two months later he and his wife Libby became the proud owners of 9A Gibson Place In 2003 Peper retired after twenty five years as the editor in chief of Golf magazine With the younger of their two sons off to college the Pepers decided to sell their house in the United States and relocate temporarily to the town house in St Andrews And so they left for the land of golf and single malt scotch haggis bagpipes television licenses and accents thicker than a North Sea fog While Libby struggled with renovating an apartment that for years had been rented to students at the local university George began his quest to break par on the Old Course Their new neighbors were friendly helpful charmingly eccentric and always serious about golf In no time George was welcomed into the local golf crowd joining the likes of Gordon Murray the man who knows everyone Sir Michael Bonallack Britain's premier amateur golfer of the last century and Wee Raymond Gatherum a magnificent shotmaker whose diminutive stature belies his skills For anyone who has ever dreamed of playing the Old Course and what golfer hasn't this book is the next best thing And for those who have had that privilege Two Years in St Andrews will revive old memories and confirm Bobby Jones's tribute If I were to set down to play on one golf course for the remainder of my life I should choose the Old Course at St Andrews *479 Best Public Golf Courses in the United States, Canada, the Caribbean, and Mexico* Robert R. world of professional golf and the pressures it exacts like few others The Wall Street Journal It s one of the greatest comebacks of all time And for Tiger Woods his game his body and his life in shambles getting back to the winner s circle was only half the story Here s the rest of it Tiger Woods s long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017 Woods s DUI arrest that night came on the heels of a desperate spinal surgery just weeks after he told close friends he might never play tournament golf again His mug shot and alarming arrest video were painful to look at and for Woods a deep humiliation The former paragon of discipline now found himself hopelessly lost and out of control exposed for all the world to see That episode could have marked the beginning of Tiger s end It proved to be the opposite Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body Woods embarked on the long road to redeeming himself In The Second Life of Tiger Woods Michael Bamberger who has covered Woods since the golfer was an amateur draws upon his deep network of sources inside locker rooms caddie yards clubhouses fitness trailers and back offices to tell the true and inspiring story of the legend s return Packed with new information and graced by insight Bamberger s story reveals how this iconic athlete clawed his way back to the top Here you ll meet the people who have shaped and saved Tiger s life It s a disparate group a Florida police officer an old friend from Tiger s boyhood his girlfriend his manager his caddie You ll go inside the ropes and see Tiger s interactions with fellow pros with broadcasters and rules officials and Tour executives with legends young Rory McIlroy and old Jack Nicklaus and in between Fred Couples On the Sunday before Masters Sunday you ll join Tiger as he takes a long slow contemplative walk across Augusta National and you ll be with him again seven days later in the splendid isolation of the tee at thirteen in the rain his right foot slipping while he swings his driver at 120 miles per hour This is an intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known Here is Tiger barefoot in handcuffs showing a police officer a witty and self deprecating side of himself that the public never sees Here is Tiger on the verge of tears with his children at the British Open Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden In these pages Tiger is funny cold generous self absorbed inspiring and real The Second Life of Tiger Woods is not only the saga of an exceptional man but also a celebration of second chances Bamberger s bracingly honest book is about what Tiger Woods did and about what any of us can do when we face our demons head on

Playing from the Rough Jimmie James,2025-06-03 A wonderful story of passion commitment resilience and determination Paul Gasol former NBA All Star about one man s quest to become the first person to play each of America s

100 greatest golf courses in a single year an odyssey that brings him face to face with the gulf between his impoverished childhood in the Jim Crow South and the successful executive he became When he set out to play each of Golf Digest s America s 100 greatest golf courses in one year Jimmie James knew he was attempting the impossible But then again he d spent his entire life defying the odds James was born invisible His birth certificate long since filed away in some clerk s office in East Texas recorded facts about him that were deemed most relevant in the late 1950s colored and illegitimate His great great grandmother was enslaved and his early life was confided by the privation and segregation of the late Jim Crow era South Four decades later having put himself through an HBCU and determinedly risen through the executive ranks at ExxonMobil he embarked on his journey to play the 100 greatest golf courses in the United States In a single year From the first tee at Augusta National the distance between the world he grew up in and the world of extreme privilege to which he d now managed to gain access was impossible to ignore Playing from the Rough is a delightful Kirkus Reviews beautiful story Andrew Campion former COO of Nike about race class family and the power of perseverance as James braids his love of golf with reflections on the path that took him from childhood poverty to the most exclusive and opulent golf courses in America
