Roberts, 2010-01-01 Explore several of the stories of biblical characters who were seekers The search by some of these people became watersheds for later seekers For example Abraham's search resulted in a clear understanding of radical monotheism Ruth's seeking and searching challenged the notion that God's love and acceptance were tied to racial purity Allow yourself to be a seeker as you read May part of your seeking be to consider where your story and each of these stories intersect and may those intersections be places where you seek God and discover that already God is seeking you from the Preface In Search of Faith is an exploration of biblical characters who struggled to define their faith Roberts help

readers to identify with biblical characters to discover kinship with seekers of another era and to read about themselves in the stories Some of the biblical characters discussed include Ruth Jacob Peter and Hosea The stories of these biblical characters can be used in a sermon series or a course of study for a small group In Search of Faith can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community **Slash Palace** Morgan Hobbs,2020-10-12 The newly elected President of the United States Sterling Brawn vows to deliver on his campaign promise to slash regulation and drastically downsize the government alarming environmentalists while thrilling his cronies in oil coal fracking big pharma and commercial development In fact President Brawn has something even more ambitious in mind bringing about the actual destruction of the nation s capital Washington D C and establishing emergency rule by a profit mad elite holed up at the POTUS s private retreat in the mountains of West Virginia However the president s plan goes sideways when he inadvertently disturbs the subterranean nest of a clan of mutant hillbillies born of his own illegally dumped toxic waste As the clock ticks down on the doomsday plan the vengeful mutants go on a bloody rampage and only the president s college aged daughter can save the country
