**Newbery Award Winning Authors ,** A Landscape with Dragons Michael D. O'Brien,2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and

misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool [Lotus Lake Dragon Pool](#) Trevor Leggett,2021-01-05 Collected by the author over many years these stories from the Yoga and Zen traditions are the flint and steel that strike a spark that lights up the mind with insights that one should ponder daily to bring to light ever deeper meaning They may be similar in intent to Zen Koans but they are rather different in content TIn many Zen Koans someone says or does something extraordinarily inappropriate which catches your attention just because it's extraordinary but afterwards the light from them has to be applied to daily life In contrast the stories here are often ordinary incidents from ordinary lives not that there aren't some extraordinary ones too that nevertheless open the mind's eye to the vast potential for realization and inspiration to be found in daily life **Gone Away Into the Land** Jeffrey B Allen,2010-07-17 KILL THE BEAST JOHN KILL IT Meet twelve year old John Greber who describes the dark clouds of daily life he his mother Ellie and six year old sister Marny live under The fear and loathing that exist within a home ruled by the iron fist of an abusive father is established on the very first page It is impossible not to feel in the pit of your stomach the inevitable onslaught of catastrophe John's beast of a father is unpredictable and dangerous He takes the storybook villain to a whole new level of greed and ignorance The beast finally goes too far when he disappears taking Marny with him The search for her leads John and Ellie into the Land a place they couldn't have imagined in their wildest dreams Think of Candyland crossed with Gregory Maguire's vision of Oz and you'll have something of an idea Allen skillfully combines the everyday world with the fantastic a seemingly seamless combination which reminds the reader of the very best of fantasy novels Yet after all of the tragedies and triumphs are said and done *Goneaway Into the Land* will leave you with a feeling of hope and a yearning for more *African and African American Images in Newbery Award Winning Titles* Binnie Tate Wilkin,2009-08-03 Since 1922 the Newbery Medal of Honor has been awarded to distinguished works of literature for children Although African and African American characters appeared in children's books

well before the establishment of the Newbery award such depictions were limited with characters often only appearing as slaves or servants. However, over the last several decades, there has been much progress, and Black characters have played a much more integral role in many highly regarded novels. In *African and African American Images in Newbery Award Winning Titles*, Binnie Tate Wilkin provides a historical and contextual examination of books with such depictions that have been acknowledged by the nation's most prestigious award for children's literature. Wilkin explores the depictions of African and African American characters in these novels and illuminates the progressive quality of such representations. Wilkin looks closely at such elements as aesthetic descriptions, subservient characterizations, the relationships between characters, and specific language usage to investigate how these images have progressed toward increasingly positive depictions. She also notes when applicable the significance of the lack of any African or African American images. This book is an essential resource for those interested in African American studies, children's literature, and the relationship between the two. **The Newbery and Caldecott Awards** Association for Library Service to Children, 2001. With its vivid annotations for all winning medal and honor books since the inception of the awards, Newbery in 1922 and Caldecott in 1938, librarians and teachers everywhere rely on this indispensable guide for quick reference, collection and curriculum development, and readers advisory. If you serve young people, the 2001 edition will help you to introduce children to outstanding literature and illustration in creative ways and to make literature selections on your own from the criteria used for these distinguished awards. New to this edition is an essay, *Reflections and Thoughts of the 2000 Newbery Committee* by Carolyn Brodie, who in collaboration with her fellow judges reminisces about an intense year of reading for this esteemed appointment.

**Illustrated by Beth and Joe Krush** Elizabeth Enright, 1957. *The Lady in the Lake* Raymond Chandler, 2022-08-16. In *The Lady in the Lake*, Raymond Chandler crafts a quintessential hard-boiled detective novel where the complexities of human relationships intertwine with a labyrinthine mystery. Chandler's distinctive prose melds lyrical descriptions with sharp, witty dialogue, bringing the seedy glamour of 1940s Los Angeles to life. The narrative follows private detective Philip Marlowe as he investigates the mysterious disappearance of a woman navigating a world rife with deception, betrayal, and moral ambiguity. This work exemplifies Chandler's mastery of the genre, balancing suspense with a deep exploration of loneliness and disillusionment amidst post-war America. Raymond Chandler, a pivotal figure in American noir fiction, rose from humble beginnings to become one of the foremost storytellers of the genre, influenced by his experiences in both corporate America and as a struggling screenwriter in Hollywood. His expertise in crafting complex female characters and intricate plots is

evident in *The Lady in the Lake* a novel that showcases his unique perspective on morality and societal decay reflecting his own battles with adversity and existential crises Recommended for enthusiasts of detective fiction and those intrigued by psychological depth *The Lady in the Lake* is a must read that invites readers to delve into the murky waters of human desire and ethical dilemmas establishing Chandler's indelible mark on literature
