The Scarlett Letters John Wiley,2014-10-08 One month after her novel Gone With the Wind was published Margaret Mitchell sold the movie rights for fifty thousand dollars Fearful of what the studio might do to her story I wouldn't put it beyond Hollywood to have Scarlett seduce General Sherman she joked the author washed her hands of involvement with the film However driven by a maternal interest in her literary firstborn and compelled by her Southern manners to answer every fan letter she received Mitchell was unable to stay aloof for long In this collection of her letters about the 1939 motion picture classic readers have a front row seat as the author watches the Dream Factory at work learning the ins and outs of filmmaking and discovering the peculiarities of a movie crazed public Her ability to weave a story so evident in *Gone With the Wind* makes for delightful reading in her correspondence with a who's who of Hollywood from producer David O Selznick director George Cukor and screenwriter Sidney Howard to cast members Clark Gable Vivien Leigh Leslie Howard Olivia de Havilland and Hattie McDaniel Mitchell also wrote to thousands of others aspiring actresses eager to play Scarlett O'Hara fellow Southerners hopeful of seeing their homes or their grandmother's dress used in the film rabid movie fans determined that their favorite star be cast and creators of songs dolls and Scarlett panties who were convinced the author was their ticket to fame and fortune During the film's production she corrected erring journalists and the producer's over the top publicist who fed the gossip mills accuracy be damned Once the movie finished she struggled to deal with friends and strangers alike who fought and trampled little children and connived and broke the ties of lifelong friendship to get tickets to the premiere But through it all she retained her sense of humor Recounting an acquaintance's denial of the rumor that the author herself was going to play Scarlett Mitchell noted he ungallantly stated that I was something like fifty years too old for the part After receiving numerous letters and phone calls from the studio about Belle Watling's accent the author related her father was convulsed at the idea of someone telephoning from New York to discover

how the madam of a Confederate bordello talked And in a chatty letter to Gable after the premiere Mitchell coyly admitted being feminine enough to be quite charmed by his statement to the press that she was fascinating but added Even my best friends look at me in a speculative way probably wondering what they overlooked that your sharp eyes saw As *Gone With the Wind* marks its seventy fifth anniversary on the silver screen these letters edited by Mitchell historian John Wiley Jr offer a fresh look at the most popular motion picture of all time through the eyes of the woman who gave birth to Scarlett *Gone with the Wind on Film* Cynthia Marylee Molt,1990 This is the definitive collection of data about all aspects of this film the ten sections focus on characters in the novel the players and their own histories costuming every major garment worn major set furnishings the filming schedule etc Also bibliographies discographies filmographies of the actors and actresses and collectibles An appendix lists available still photographs *Margaret Mitchell's Gone With the Wind* Ellen F. Glickman,2009-06-10 A definitive history of consumer activism *Buying Power* traces the lineage of this political tradition back to our nation s founding revealing that Americans used purchasing power to support causes and punish enemies long before the word boycott even entered our lexicon Taking the Boston Tea Party as his starting point Lawrence Glickman argues that the

rejection of British imports by revolutionary patriots inaugurated a continuous series of consumer boycotts campaigns for safe and ethical consumption and efforts to make goods more broadly accessible He explores abolitionist led efforts to eschew slave made goods African American consumer campaigns against Jim Crow a 1930s refusal of silk from fascist Japan and emerging contemporary movements like slow food Uncovering previously unknown episodes and analyzing famous events from a fresh perspective Glickman illuminates moments when consumer activism intersected with political and civil rights movements He also sheds new light on activists relationship with the consumer movement which gave rise to lobbies like the National Consumers League and Consumers Union as well as ill fated legislation to create a federal Consumer Protection Agency
