From a Taller Tower Seamus McGraw, 2021-04-13 A history of the American mass shooter since 1966 and an analysis of how the nation makes sense of the senseless violence We as a nation have become desensitized to the shock and pain in the wake of mass shootings In the bottomless silence between gunshots as political stalemate ensures inaction the killing continues the dying continues From a Taller Tower attends to the silence that has left us empty in the aftermath of these atrocities Veteran journalist Seamus McGraw chronicles the rise of the mass shooter to dismantle the myths we have constructed around the murderers and ourselves In 1966 America s first mass shooter from atop the University of Texas tower unleashed a new reality the fear that any of us may be targeted by a killer and the complicity we bear in granting these murderers the fame or infamy they crave Addressing individual cases in the epidemic that began in Austin From a Taller Tower bluntly confronts our obsession with the shooters and explores the isolation narcissism and sense of victimhood that fan their obsessions Drawing on the experiences of survivors and first responders as well as the knowledge of mental health experts McGraw challenges the notion of the good guy with a gun the idolization of guns including his own and the reliability of traumatized memory Yet in this terrible history McGraw reminds us of the humanity that can stop the killing and the dying An important and extraordinary book that takes us into the mind of the mass shooter and also explores our own complicity in the numbing tragedies that have become far too routine in America Still Seamus McGraw manages to leave us with hope that there s a way out of the despair Perri Pelitz director and producer Axios on HBO A meditative history of mass murder by gunfire A

memorable necessary contribution to the national conversation on gun violence Kirkus Reviews From a Taller Tower traces the history of the American mass shooter and the troubling ways we make sense of senseless violence There s a tragic timeliness to McGraw s book InsideHook One of the most important books you can read this or any year It s impossible to read this work without nodding or wincing or even crying Patrick Skinner detective Savannah Georgia From a Taller Tower is a careful even cathartic look at mass shooters and the culture that ushers them forth McGraw dispels the myths forged in gunfire with a riveting examination of the before during and after of mass shootings Amye Archer co editor If I Don t Make It I Love You Survivors in the Aftermath of School Shootings *Rich, Free, and Miserable* John Brueggemann,2023-06-14 Compared to much of the rest of the world America and its citizens are rich But many people are also deeply miserable at work at home or both In this provocative book author John Brueggemann unpacks why so many people are struggling both emotionally and financially in a nation that looks so prosperous on the surface From a hospital patient reduced to a balance sheet to a parent working such long hours that he misses dinner Brueggemann argues that market thinking has permeated every corner of our lives In the pursuit of more and better relationships erode to the detriment of individuals communities and the nation as a whole *Rich Free and Miserable* not only outlines these pressing social problems but also offers practical suggestions for people looking to make a positive change Hubert's Freaks Gregory Gibson,2009 From the moment Bob Langmuir a down and out rare book dealer spies some intriguing photographs in the archive of a midcentury Times Square freak show he knows he s on to something It turns out he s made the find of a lifetime never before seen prints by the legendary Diane Arbus Furthermore he begins to suspect that what he s found may add a pivotal chapter to what is now known about Arbus as well as about the old weird America in Greil Marcus s phrase that Hubert s inhabited Bob s ensuing adventure a roller coaster ride filled with bizarre characters and coincidences takes him from the fringes of the rare book business to Sotheby s and from the exhibits of a run down Times Square freak show to the curator s office of the Metropolitan Museum of Art Will the photos be authenticated How will Arbus s notoriously protective daughter react Most importantly can Bob who always manages to screw up his most promising deals finally make just one big score The Psychology and Law of Workplace Violence Irvin H.
