Goochland CeCe Bullard, Margaret Henley Walker, Eve Barenholtz, 1994 **A Gunner in Lee's Army** Graham T. Dozier, 2014-09-25 In May 1861 Virginian Thomas Henry Carter 1831 1908 raised an artillery battery and joined the Confederate army Over the next four years he rose steadily in rank from captain to colonel placing him among the senior artillerists in Robert E Lee s Army of Northern Virginia During the war Carter wrote more than 100 revealing letters to his wife Susan about his service His interactions with prominent officers including Lee Jubal A Early John B Gordon Robert E Rodes and others come to life in Carter s astute comments about their conduct and personalities Combining insightful observations on military operations particularly of the Battles of Antietam and Spotsylvania Court House and the 1864 Shenandoah Valley Campaign with revealing notes on the home front and the debate over the impressment and arming of slaves Carter s letters are particularly interesting because his writing is not overly burdened by the rhetoric of the southern ruling class Here Graham Dozier offers the definitive edition of Carter s letters meticulously transcribed and carefully annotated This impressive collection provides a wealth of Carter s unvarnished opinions of the people and events that shaped his wartime experience shedding new light on Lee s army and Confederate life in Virginia **Kill Jeff Davis** Bruce M. Venter, 2016-01-22 The ostensible goal of the controversial Kilpatrick Dahlgren Raid on Richmond February 28 March 3 1864 was to free some 13 000 Union prisoners of war held in the Confederate capital But orders found on the dead body of the raid s subordinate commander Colonel Ulric Dahlgren point instead to a plot to capture or kill Confederate president Jefferson Davis and set Richmond ablaze What really happened and how and why are debated to this day Kill Jeff Davis offers a fresh look at the failed raid and mines newly discovered documents and little known sources to provide definitive answers In this detailed and deeply researched account of the most famous cavalry raid of the Civil War author Bruce M Venter describes an expedition that was carefully planned but poorly executed A host of factors foiled the raid bad weather poor logistics inadequate command and control ignorance of the terrain the failures of supporting forces and the leaders personal and professional shortcomings Venter delves into the background and consequences of the debacle beginning with the political maneuvering orchestrated by commanding brigadier general Judson Kilpatrick to persuade President Abraham Lincoln and Secretary of War Edwin Stanton to approve the raid Venter s examination of the relationship between Kilpatrick and Brigadier General George A Custer illuminates the reasons why the flamboyant Custer was excluded from the Richmond raid In a lively narrative describing the multiple problems that beset the raiders Kill Jeff Davis uncovers new details about the African American guide whom Dahlgren ordered hanged the defenders of the Confederate capital who were not just the old men and young boys of popular lore and General Benjamin F Butler s expedition to capture Davis as well as Custer s diversionary raid on Charlottesville Venter s thoughtful reinterpretations and well reasoned observations put to rest many myths and misperceptions He tells at last the full story of this hotly contested moment in Civil War history **Family**
