Travelling Light: Masonic Meditations on the Search for Illumination Jonti Marks, 2023-04-04 Almost the first thing that we ask for as newly made Freemasons is light From that moment we are led through the teachings of the Craft until as Master Masons we face the ultimate test of our courage and fidelity only to be told that all the light we have thus far accumulated is but darkness visible And so we start to ask if the light of this world is only darkness visible what is true light Where does it come from How do we acquire it How do we benefit from it How do we use it for the benefit of others And how

ultimately do we become it And so begins our quest      **The Love That Matters** Charles H. **Parables of Salvation** David Williams,2002-09-16 The author s wife has frequently reminded him that there is a sermon in everything The parables of Jesus demonstrate clearly to us that spiritual truths can be readily communicated with the aid

of everyday objects Just as Jesus used real life situations such as sowing or lost coins so the attempt is made here to draw spiritual lessons from objects met every day The emphasis in this book is on familiar objects such as will be met frequently in life Thus while it is a good and valid technique to add visual material to a talk by means of a picture a word or a series of letters this is not done here The emphasis is on the object and the message gleaned from that rather than on an attempt to visualize the message Those wanting inspiration for children s talks that will not bore them or illustrations to liven up a sermon will find a wealth of ideas here No time consuming making of pictures and posters but just the use of ordinary objects found in every home
