## **Good Evening Everybody From Cripple Creek To Samarkand:**

Good Evening Everybody Lowell Thomas,1980      *Good Evening Everybody* Lowell Thomas,1976 Contains primary source material      The Queen of Heartbreak Trail Eleanor Phillips Brackbill,2016-04-01 The story of Harriet Smith Pullen s early life from her childhood journeys by covered wagon to her family s subsistence in sod houses on the Dakota prairie where they survived grasshopper plagues floods fires blizzards and droughts is a narrative of American migration and adventure that still resonates today But there is much more to the legendary woman s life revealed here for the first time by Eleanor Phillips Brackbill her great granddaughter who has traveled the path of her ancestor delving into unpublished material as well as sharing family stories in this American story that will capture the imagination of a new generation After migrating by emigrant train to Washington Territory Harriet endured typhoid fever and a shipwreck then homesteaded among the Quileute people on the coast of Washington where she married Dan Pullen with whom she was an equal partner in ranching and managing an Indian fur trading post before a life changing series of events caused her to strike out for the north In 1897 she landed in Skagway Alaska broke and alone after leaving her husband and four children in Washington determined to make a fresh start and to reunite with her sons and daughter Newly independent and empowered she became an entrepreneur single handedly hauling prospectors provisions into the mountains where gold beckoned and then starting the Pullen House an acclaimed hotel Later in life Harriet would entertain her guests with fabulous stories about the gold rush and her renowned collection of Alaskan Native artifacts and gold rush relics She achieved near legendary status in Alaska during her lifetime and *The Queen of Heartbreak Trail* brings to life moments that are well known and moments that have never before been published her arrest for holding a claim jumper at gunpoint her grueling courtroom testimony defending herself against the spurious accusations of a malevolent employer and how in her father s words she turned out her husband of twenty years      **Torrents As Yet Unknown** Wickliffe W. Walker,2024-09-03 Will have river veterans nodding in agreement and surprise I loved the journey Doug Stanton author of the 1 New York Times bestseller *Horse Soldiers* An important contribution to the literature of exploration This book had my pulse racing Peter Heller author of *The Dog Stars* and *The River* A dramatic narrative tour of 10 of the world s most incredible whitewater adventures spanning 5 continents and 40 years guided by a legendary whitewater trailblazer This fascinating history of daring whitewater explorers stands alongside classic works on mountaineering outdoor survival and extreme sports Perfect for fans of Jon Krakauer s *Into Thin Air* and Candice Millard s *River of the Gods* In 10 thrilling real life adventure stories pioneering whitewater explorer Wick Walker examines what lured a generation of incredibly daring pioneers into some of Earth s most wondrous yet forbidding river canyons below Victoria Falls on the Zambezi the Great Bend of the Tsangpo in Tibet Tiger Leaping Gorge on the Yangtze the flanks of Mount Everest and more Loaded with great moments and personal stories Walker details what these adventurers found there and within themselves The extraordinary characters driven by different motives and visions but

united by their compulsion to seek the unknown and the pulse of free flowing water are as remarkable as the daunting geography and conditions they confront Whitewater sport today stands side by side with mountaineering in participation and public attention yet it has lagged in generating its own literature Torrents As Yet Unknown helps fill that gap for readers interested in human drama played out against great natural challenges Mountaineering history is deep and its literature rich but whitewater adventurers approach and experience the same forbidding terrain from a different vantage between the steep walls of their canyons and atop powerful torrents of cascading water      *Stripping Gypsy* Noralee Frankel,2011-03-03

Whenever stripper Gypsy Rose Lee encountered public criticism she spoke frankly in her own defense Thousands have seen me at my ah best and thousands have made no objections Noralee Frankel s lively biography *Stripping Gypsy* the first ever published about the highly mythologized Gypsy examines the struggles Lee faced in making a lucrative and unconventional career for herself while maintaining a sense of dignity and social value Frankel shows that the famous Miss Lee was an enigma clearly struggling with her choices and her desire to be respected and legitimized Those who know Gypsy Rose Lee only from the musical and film based on her rise to stardom will be surprised by what they uncover in *Stripping Gypsy* In all ways Lee trafficked in the incongruous she was at once sex object intellectual and activist In addition to her highly successful strip tease act and film career she published two mystery novels and a memoir wrote two plays and showed her original artwork in famed Modern Art impresario Peggy Guggenheim s gallery Lee also gained notoriety for her participation in liberal politics As photographer Arnold Newman said She was a lady a brilliant bright woman who was the friend of many writers and intellectuals Though she wasn t above using her femininity to full advantage Lee aspired to much more than admiration for her physical beauty Frankel places Lee s life in social and political context while detailing a fascinating entertainment career in which Lee created and recreated her own identity to fit changing times Frankel s biography transcends the sensationalism of stripping and asks the public to see the woman beneath the costume a woman who always kept a little of herself shrouded in mystery      *Richard Aldington and Lawrence of Arabia* Fred D. Crawford,1998 If you plan to portray a national icon in less than heroic terms you had better be prepared for a fight as Richard Aldington learned even before the publication of his 1955 biography *Lawrence of Arabia A Biographical Enquiry* Fred D Crawford provides the first examination of all major parties and points of view embroiled in the controversy generated by Aldington s biography of T E Lawrence In two years of research Aldington made major discoveries including the extent to which Lawrence had cooperated with Lowell Thomas Robert Graves and B H Liddell Hart in the creation of the Lawrence legend For this and other reasons Aldington concluded that Lawrence was a charlatan a poseur and a fraud Upon learning of Aldington s antagonism to Lawrence a year before Aldington s book appeared a powerful group including B H Liddell Hart Robert Graves A W Lawrence and other Lawrence partisans worked behind the scenes to suppress and denigrate Aldington s biography These attempts Crawford notes reveal a great deal about how private interests can determine what the public is allowed to read      **Little**

**Lindy Is Kidnapped** Thomas Doherty, 2020-11-03 The biggest crime story in American history began on the night of March 1 1932 when the twenty month old son of Charles and Anne Lindbergh was snatched from his crib in Hopewell New Jersey The news shocked a nation enthralled with the aviator the first person to fly solo nonstop across the Atlantic American law enforcement marshalled all its resources to return Little Lindy to the arms of his parents and perhaps even more energized were the legions of journalists catering to a public whose appetite for Lindbergh news was insatiable In Little Lindy Is Kidnapped Thomas Doherty offers a lively and comprehensive cultural history of the media coverage of the abduction and its aftermath Beginning with Lindbergh s ascent to fame and proceeding through the trial and execution of the accused kidnapper Doherty traces how newspapers radio and newsreels reported on what was dubbed the crime of the century He casts the affair as a transformative moment for American journalism analyzing how the case presented new challenges and opportunities for each branch of the media in the days before the rise of television Coverage of the Lindbergh story Doherty reveals set the template for the way the media would treat breaking news ever after An engrossing account of an endlessly fascinating case Little Lindy Is Kidnapped sheds new light on an enduring quality of journalism ever since the media s eye on a crucial part of the story itself

**Richard Halliburton and the Voyage of the Sea Dragon** Gerald Max, 2023-08-18 Richard Halliburton 1900 1939 considered the world s first celebrity travel writer swam the length of the Panama Canal recreated Ulysses voyages in the Mediterranean crossed the Alps on an elephant flew around the world in a biplane and descended into the Mayan Well of Death all the while chronicling his own adventures Several books treat his life and travels yet no book has addressed in detail Halliburton s most ambitious expedition an attempt to sail across the Pacific Ocean in a Chinese junk Set against the backdrop of a China devastated by invading Japanese armies and the storm clouds of world war gathering in Europe Halliburton and a crew of fourteen set out to build and sail the Sea Dragon a junk or ancient sailing ship from Hong Kong to San Francisco for the Golden Gate International Exposition After battling through crew conflicts and frequent delays the Sea Dragon set sail on March 4 1939 Three weeks after embarking the ship encountered a typhoon and disappeared without a trace Richly enhanced with historic photographs Richard Halliburton and the Voyage of the Sea Dragon follows the dramatic arc of this ill fated expedition in fine detail Gerry Max artfully unpacks the tensions between Halliburton and his captain John Wenlock Welch owing much to Welch s homophobia and Halliburton s unconcealed homosexuality And while Max naturally explores the trials and tribulations of preparing constructing and finally launching the Sea Dragon he also punctuates the story with the invasion of China by the Japanese as Halliburton and his letters home reveal an excellent wartime reporter Max mines these documents many of which have only recently come to light as well as additional letters from Halliburton and his crew to family and friends photographs films and tape recordings to paint an intricate portrait of Halliburton s final expedition from inception to tragic end [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office, 1978 **Routledge Revivals: Radio Broadcasting from 1920 to 1990 (1991)**

Diane Foxhill Carothers, 2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author with the original text in hand

Before Taliban David B. Edwards, 2002-04-02 In this powerful book David B Edwards traces the lives of three recent Afghan leaders in Afghanistan s history Nur Muhammad Taraki Samiullah Safi and Qazi Amin Waqad to explain how the promise of progress and prosperity that animated Afghanistan in the 1960s crumbled and became the present tragedy of discord destruction and despair Before Taliban builds on the foundation that Edwards laid in his previous book Heroes of the Age in which he examines the lives of three significant figures of the late nineteenth century a tribal khan a Muslim saint and a prince who became king of the newly created state In the mid twentieth century Afghans believed their nation could be a model of economic and social development that would inspire the world Instead political conflict foreign invasion and civil war have left the country impoverished and politically dysfunctional Each of the men Edwards profiles were engaged in the political struggles of the country s recent history They hoped to see Afghanistan become a more just and democratic nation But their visions for their country were radically different and in the end all three failed and were killed or exiled Now Afghanistan is associated with international terrorism drug trafficking and repression Before Taliban tells these men s stories and provides a thorough analysis of why their dreams for a progressive nation lie in ruins while the Taliban has succeeded In Edwards s able hands this culturally informed biography provides a mesmerizing and revealing look into the social and cultural contexts of political change

*Enduring Courage* John F. Ross, 2025-09-23 The sensational true story of Eddie Rickenbacker America s greatest flying ace At the turn of the twentieth century two new technologies the car and airplane took the nation s imagination by storm as they burst like comets into American life The brave souls that leaped into these dangerous contraptions and pushed them to unexplored extremes became new American heroes the race car driver and the flying ace No individual did more to create and intensify these raw new roles than the tall gangly Eddie Rickenbacker who defied death over and over with such courage and pluck that a generation of Americans came to know his face better than the president s The son of poor German speaking Swiss immigrants in Columbus Ohio Rickenbacker overcame the specter of his father s violent death a debilitating handicap and later accusations of being a German spy to become the American military ace of aces in World War I and a Medal of Honor recipient He and his high spirited all too short lived pilot comrades created a new kind of aviation warfare as they pushed their machines to the edge of destruction and often over it without parachutes radios or radar Enduring Courage is the electrifying story of the beginning of America s love affair with speed and how one man above all the rest showed a nation

the way forward No simple daredevil he was an innovator on the racetrack a skilled aerial dualist and squadron commander and founder of Eastern Air Lines Decades after his heroics against the Red Baron s Flying Circus he again showed a war weary nation what it took to survive against nearly insurmountable odds when he and seven others endured a harrowing three week ordeal adrift without food or water in the Pacific during World War II For the first time Enduring Courage peels back the layers of hero to reveal the man himself With impeccable research and a gripping narrative John F Ross tells the unforgettable story of a man who pushed the limits of speed endurance and courage and emerged as an American legend

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

Lowell Thomas Jr. Lowell Thomas Jr., Lew Freedman, 2013-10-01 Lowell Thomas Jr is a famed Alaskan who made his mark as a Bush pilot and by serving in state government but who also has had a lifetime s worth of adventures that have taken him around the world Thomas now eighty nine and living in Anchorage is the son of one of the most widely known Americans of the twentieth century and his connection to Lowell Thomas Sr 1892 1981 enabled him to jump start his life of adventure at a very early age From the time he was fifteen Lowell Thomas Jr has been involved in a series of journeys that have seen him cross paths with many famous lives and take part in many historic events

**Encyclopedia of Radio 3-Volume Set** Christopher H. Sterling, 2004-03-01 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined

**Reporting from Washington** Donald A. Ritchie, 2005-03-15 Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists and investigative reporters as well as the pioneers of radio television cable television and internet news We also learn about the efforts of female and black reporters to break into what had long been a bastion of white maleness the press corps From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century

**Texas Guinan, Queen of the Night Clubs** Louise Berliner, 1993 Hello Suckers Every night she flung that greeting at the Jazz Age flappers and gents who crowded in to see the Queen of the Nightclubs work her magic They came to laugh and drink and forget the world outside and Texas Guinan kept the party going She was the wittiest nightclub hostess in New York and her clubs had the best floor shows the most elegant decor and all the bootleg liquor that furtively exchanged dollars could buy Here is the story of Texas Guinan nightclub hostess theater and vaudeville actress and star of silent westerns Louise Berliner a granddaughter of the lawyer who defended Guinan at her

notorious public nuisance trial in 1929 follows the whole course of Guinan's life 1884-1933 from her childhood in a devout Catholic home in Waco, Texas to her celebrity funeral and burial with diamonds in one hand and a rosary in the other. Like a female Gatsby, Texas Guinan invented a past appropriate for the character she became. Berliner explores this fascinating process of self-creation, separating fact from the fictions that Guinan wove about her life. In so doing, she illuminates the era of early musical comedies in New York and on the vaudeville circuit, the two-reeler silent westerns in which Guinan starred as a lady gunslinger and the New York club life that Guinan promoted as an essential and basic industry. Texas Guinan seemed to know everyone in the Roaring Twenties: the Prince of Wales, Ruby Keeler, George Raft, Rudolph Valentino, Walter Winchell, Mae West, Aimee Semple MacPherson, and even President Harding. Berliner offers intriguing views of Guinan's relationship with many of these varied personalities. This timely book, the first fully documented study of Guinan's life, will be important for everyone interested in popular culture, the Jazz Age, and women's studies. It brings to life a woman of amazing vitality and surprising contradictions as captivating as any character imagined by F. Scott Fitzgerald.

**Why We Love The Dogs We Do** Stanley Coren, 2012-12-11 For anyone who has worried that being beguiled by puppy love might lead only to a short-lived dalliance, Stanley Coren provides the ultimate matchmaking service. Combining his expertise in human psychology and animal behaviour with the research of other animal experts, Coren classifies dogs according to such personality traits as friendliness, protectiveness, and steadiness. To discover which dogs will suit them best, readers take simple personality tests that reveal what they are looking for in a relationship. Extroverted men, for example, may be surprised to find that poodles make the ideal companions; shy women are likely to prefer the company of a bulldog; and men lacking trust might consider an independent Shar Pei. Stories about people and their four-legged best friends, and a gallery of photographs, capture the special dynamics between couples ranging from Freud and his Chow Chow to Picasso and his Afghan hound.
