Good Company A Study Of Nyakyusa Age Vil:

American Anthropology, 1946-1970 Robert F. Murphy, 2002-01-01 From the early Cold War years through the social unrest and activism of the 1960s American anthropology expanded considerably in size and outreach becoming spectacularly global and cross cultural in its interests Complex societies and communities became increasingly popular subjects of inquiry the influence of sociological methods upon fieldwork and interpretation grew a reimagined cultural evolution emerged and a pervasive interest in the broader forces of culture change shaped research writing and theory throughout the quarter century A dynamic range of schools of anthropological thought flowered cultural ecology structural functionalism ethnoscience and in the last years of the era French structuralism The American Anthropological Association became a forum of political debate in the 1960s and its membership included more people of color but fewer women than previously The twenty two selections in this volume highlight the many telling achievements and enduring insights in American anthropology during the first few decades after World War II An introduction to these essays by Robert F Murphy provides a historical and critical backdrop for understanding the changes and continuity in American anthropology during this time

Homosexualities Stephen O. Murray, 2002-06 Breathtaking in its historical and geographical scope this book provides a sweeping examination of the construction of male and female homosexualities stressing both the variability of the forms same sex desire can take and the key recurring patterns it has formed throughout history An indispensable resource on same sex sexual relationships and their social contexts Essential reading Choice P romises to deliver a lot and even more extraordinarily succeeds in its lofty aims O riginal and refreshing A sensational book part of what I see emerging as a new commonsense revolution within academe Kevin White International Gay and Lesbian Review **An Introduction to**

Anthropology Victor Barnouw, 1982 **Contemporary Cultural Anthropology** Michael C. Howard, 1989 An introductory undergraduate text first edition 1983 containing 16 chapters that cover major topics in cultural anthropology Each chapter provides a summary and lists key terms and further reading There are in addition 14 original essays by practising anthropologists in particular subfields Color and bandw photographs Annotation copyright by Book News Inc Portland OR

Homosexuality and World Religions Arlene Swidler, 1993 Illuminates the ambiguous status of homosexuality and lesbianism in religious texts and traditions as well as their place in religious culture **The Politics of God in East Africa** Mario I. Aguilar, 2009 Following on from his previous work Being Oromo in Kenya Mario Aguilar stresses the conflict and creativity expressed by different Oromo generations who treasure their Oromo identity but are also searching for their place within a post colonial and post independent East African world Thus the featured essays not only provide creative ways of researching identity but also assert the central role of Oromo culture within the ever changing world of East African religion and politics **Library Journal** ,1963 *The Family in Global Transition* Gordon Louis Anderson, 1997 Most of the articles consist of solid scholarly presentations about the family as an institution throughout history tribal society antiquity the

Middle Ages the modern era and throughout the contemporary world Africa China India the Middle East Latin America the former Eastern bloc and the West **African Art & Literature** Dennis Duerden,1977 **School Library Journal** ,1962
The Invisible Present Dennis Duerden,1975 Anthropology Carol R. Ember,Melvin Ember,1977 *Cultural Anthropology* Marvin Harris,1983 Written by one of the most famous modern anthropologists the fifth edition of Cultural Anthropology continues to focus on the book s two major objectives First it presents a holistic view of sociocultural systems and secondly the book provides a unified theoretical framework for explaining these systems It also remains faithful to the belief that anthropologists must routinely deal with facts and theories that are crucial to informed decisions regarding issues of enduring relevance The cultural approach used throughout furnishes a framework for explaining how the parts of sociocultural systems are interrelated and how they change over time The book also continues in its effort to identify the many causal strands that help explain the process of sociocultural change It tries to make sense of the many seemingly irrational or arbitrary customs and institutions in small technologically simple societies as well as complex nations For anyone interested in the study of culture **The Encyclopedia of Religion** Mircea Eliade,Charles J. Adams,1987 A comprehensive guide to the history beliefs concepts practices and major figures of religions past and present National Union Catalog ,1979 Includes entries for maps and atlases **Library of Congress Catalog** Library of Congress,1950 A cumulative list of works represented by Library of Congress printed cards **Encyclopedia of Africa South of the Sahara: Literature - Reunion** John Middleton,1997 *Library of Congress Catalogs* Library of Congress,1955
