Life-Writes Suzanne Ruthven,2012-05-16 The second most common question a writer is asked is where do your ideas come from The first is Do you make any money from it Experienced writers don t go looking for ideas ideas come to them An experienced writer just has the knack of spotting what makes a good story or what will make a good story once it s been given the right spin because none of us if we re honest will let reality get in the way of a saleable piece of work Editors are looking for an element of action drama or surprise even in non fiction It s what catches their attention and makes them pause to read further and the key to any editor s heart is originality Not necessarily a new departure in style or genre but a refreshing and original slant on a popular theme Life Writes helps you to find and develop ideas with editor appeal
