Edwin Mullhouse:

Edwin Mullhouse Steven Millhauser, 1996-04-16 A parody of a literary biography starring a 10 year old novelist who is mysteriously dead at 11 from the Pulitzer Prize winning author of *Martin Dressler* As a memorial Edwin Mullhouse's best friend Jeffrey Cartwright decides that the life of this great American writer must be told He follows Edwin's development from his preverbal first noises through his love for comic books to the fulfillment of his literary genius in the remarkable novel *Cartoons* **Edwin Mullhouse, the life and death of an American writer 1943-1954, by Jeffrey Cartwright** Steven Millhauser, 1972 Edwin Mullhouse Steven Millhauser, 1972 Waiting for the End Earl G. Ingersoll, 2007 *Waiting for the End* examines two dozen contemporary novels within the context of a half century of theorizing about the function of ending in narrative That theorizing about ending generated a powerful dynamic a quarter century ago with the advent of feminist criticism of masculinist readings of the role played by ending in fiction Feminists such as Theresa de Lauretis in 1984 and more famously Susan Winnett in her 1991 PMLA essay *Coming Unstrung* were leading voices in a swelling chorus of theorist pointing out the masculinist bias of ending in narrative With the entry of feminist readings of ending it became inevitable that criticism of fiction would become gendered through the recognition of difference transcending a simple binary of female male to establish a spectrum of masculine to feminine endings regardless of the sex of the writer Accordingly *Waiting for the End* examines pairs of novels one pair by Margaret Atwood and one by Ian McEwan to demonstrate how a writer can offer endings at either end of the gender spectrum Edwin Mullhouse Steven Millhauser, 1979 *Edwin Mullhouse, the Life and Death of an American Writer : 1943-1954, by Jeffrey Cartwright* Steven Millhauser, 1972

individual Christian achieves meaning only through participation in this communally recounted narrative While Alan Jacobs acknowledges the importance of the communal story he suggests that something has been neglected in the development of narrative theology the narrative dimension of individual Christian lives Looking Before and After encourages us to ask how individual lives can in a specifically Christian sense be meaningful how we can discern and rightly interpret those meanings and how we might tell our own stories in ways that avoid the dangers of presumption and despair In his typically beautiful writing style Jacobs here reinvigorates narrative theology and demonstrates the power of individual life stories well told and properly understood

The Literary Mafia Josh Lambert, 2022-07-26 An investigation into the transformation of publishing in the United States from a field in which Jews were systematically

excluded to one in which they became ubiquitous From the very first page this book is funnier and more gripping than a book on publishing has any right to be Anyone interested in America s intellectual or Jewish history must read this and anyone looking for an engrossing story should Emily Tamkin author of *Bad Jews* In the 1960s and 1970s complaints about a Jewish literary mafia were everywhere Although a conspiracy of Jews colluding to control publishing in the United States never actually existed such accusations reflected a genuine transformation from an industry notorious for excluding Jews to one in which they arguably had become the most influential figures Josh Lambert examines the dynamics between Jewish editors and Jewish writers how Jewish women exposed the misogyny they faced from publishers and how children of literary parents have struggled with and benefited from their inheritances Drawing on interviews and tens of thousands of pages of letters and manuscripts *The Literary Mafia* offers striking new discoveries about celebrated figures such as Lionel Trilling and Gordon Lish and neglected fiction by writers including Ivan Gold Ann Birstein and Trudy Gertler In the end we learn how the success of one minority group has lessons for all who would like to see American literature become more equitable

Understanding Steven Millhauser Earl G. Ingersoll, 2014-02-19 An exploration of the thematic interests and narrative strategies of a contemporary American master of fiction Earl Ingersoll introduces the fiction of Steven Millhauser whose distinguished career of more than four decades includes eight books of short fiction and four novels the latest being the Pulitzer Prize winning *Martin Dressler* 1996 In *Understanding Steven Millhauser* Ingersoll explores Millhauser s twelve books chronologically revealing the development of a major contemporary American writer and a master of fiction who cares as deeply about his craft as the modernists did earlier in the past century While most examinations of an author s work begin with at least a biographical sketch Ingersoll has faced distinct challenges because Millhauser has resisted efforts to read his fiction through the lens of his biography Responding to an interviewer s request for a brief biography Millhauser provided the succinct 1943 Part of such resistance Ingersoll argues arises from Millhauser s belief that if readers have too many questions about an author s work the author has failed and no amount of response can redress that failure Millhauser s central characters such as August Eschenburg and J Franklin Payne are often themselves artists or technicians who are overreachers and Ingersoll shows that Millhauser s early

expressions of literary realism have given way to interest in departures from the real For Millhauser stories like conjuring tricks are invented because history is inadequate to our dreams Millhauser's strength is the ability to sustain obsessions because works of fiction succeed insofar as they are able to supplant reality As a master fabulist Ingersoll argues Millhauser is preoccupied with extravagance both in the subject matter of his fiction and in his style Whether it involves Martin Dressler doing himself in by designing and constructing increasingly complex hotels or the miniaturists in the short story Cathay pushing their impulse to extremes past the eye's ability to see their art objects Millhauser's fiction is full of such an impulse which can produce prolific artists as well as compulsive lunatics The triumph of Millhauser's craft Ingersoll shows is that it merges a fascination with the relationship between imagination and experience with a precise and allusive prose to produce works seamlessly joining the everyday with the radical and fantastic in forms ranging from travelogues of the imagination to works merging the waking world with the world of dreams
