Eelie And The Big Cats:

Eelie and the Big Cats Arjan Singh, 1987-01 *Eelie and the Big Cats* Arjan Singh, 2001 This Book Is A Moving Memoir Of An Extraordinary Dog Eelie And Recalls Her Amazing Adventures With The Leopards And Tigers Reared By The Author In The Jungles Of Northern India **Honorary Tiger: The Life of Billy Arjan Singh** Duff Hart-Davis, 2005-12-31 Popularly known as India's latterday Jim Corbett and tiger man 87 year old Billy Arjan Singh is by any standards an extraordinary man At Tiger Haven his home in a magical spot on the edge of the jungle in UP Singh's experiments with bringing up three orphaned leopards and also Tara a tiger cub that he imported from a zoo in England shot him into both limelight and controversy His aim was to see if Tara's instincts would make her revert to the wild when she became mature They did and over the years she produced four litters of cubs thus proving his contention that it is possible to supplement dwindling wild stocks with zoo born animals But when it was discovered that the tigress had Siberian genes in her ancestry he was accused of having introduced a genetic cocktail into the jungle Undeterred Singh remained a champion of the forest and its denizens It was almost entirely due to his advocacy that in 1973 the then Prime Minister Indira Gandhi authorized the creation of the Dudhwa National Park Now in his eighties comes recognition for his efforts In March 2005 he received the I Paul Getty Wildlife Conservation award a global honour administered by the World Wildlife Fund that serves to recognize outstanding contributions in international conservation In this affectionate biography the British author Duff Hart Davis tells the story of a man absolutely dedicated to the cause of animals who has given fifty years of his own life to their conservation **Never Lie About Love** Jeffrey Moussaieff Masson,1998-09-08 Dogs fill our hearts with love and our minds with wonder but their emotional lives have remained unexplored since Darwin 125 years ago Now in Dogs Never Lie About Love controversial psychoanalyst Jeffrey Masson brilliantly navigates the rich inner landscape of our best friends As he guides readers through the surprising depth of canine emotional complexity Jeffrey Masson draws from myth and literature from scientific studies and from the stories and observations of dog trainers and dog lovers around the world But the stars of the book are the author's own three dogs whose delightful and mysterious behavior provides the way to exploring a wide range of subjects from emotions like gratitude compassion loneliness and disappointment to speculating what dogs dream of and how their powerful sense of smell shapes their perception of reality As he sweeps aside old prejudices on animal behavior Masson reaches into a rich universe of dog feeling to its essential core their master emotion love Like the dogs he loves Masson s writing will capture the reader with its playful mysterious and serious sides Its surprising insights provide a new dimension of understanding for dog owners everywhere Tiger-wallahs Geoffrey C. Ward, Diane Raines Ward, 2000 For many years historian and screenwriter Geoffrey C Ward has been visiting the Indian jungles drawn by their beauty and the mystery and power of the great endangered predator that has always ruled them the tiger In this intensely personal book he combines history biography and first hand reporting to evoke the special appeal of India's forests and describes encounters with some

of the tiger wallahs who have struggled against overwhelming odds to save the species from extinction The remarkable tiger wallahs covered here are Jim Corbett the great destroyer of maneaters who became a still greater conservationist Billy Arjan Singh the Spartan farmer who despises hunters and hunting tried to return a tigress to the wild and all alone carved out a national park Fateh Singh Rathore the uninhibited Rajput who cheerfully risked his life defending the jungles in his charge and Valmik Thapar the son of New Delhi intellectuals who began as Fateh's disciple became an authority in his own right and now champions a new kind of conservation that may provide the tiger's only hope An epilogue especially written for this edition brings the story of the tiger and its champions up to date This evocative and well illustrated book about a magnificent animal and its ablest defenders one of the first to document the conflicts that plague efforts to save the species will interest conservationists ecologists and wildlife enthusiasts and appeal to a wide general readership The Junior Bookshelf ,1988
