Egyptian Deportations of the Late Bronze Age Christian Langer, 2021-09-20 Egyptian Deportations of the Late Bronze Age explores the political economy of deportations in New Kingdom Egypt ca 1550 1070 BCE from an interdisciplinary angle The analysis of ancient Egyptian primary source material and the international correspondence of the time draws a comprehensive picture of the complex and far reaching policies The dataset reveals their geographic scope economic and demographic impact in Egypt and abroad as well as their interconnection with territorial

expansion international relations and labour management The supply chain profiting institutions and individuals in Egypt as the well as the labour tasks origins and the composition of the deportees are discussed in detail A comparative analytical framework integrates the Egyptian policies with a review of deportation discourses as well as historical premodern and modern cases and enables a global and diachronic understanding of the topic The study is thus the first systematic investigation of deportations in ancient Egyptian history and offers new insights into Egyptian governance that revise previous assessments of the role of forced migration und unfree labour in ancient Egyptian society and their long term effects

Dictionary of New Testament Background CRAIG A EVANS,STANLEY E PORTER,2020-05-21 The Dictionary of New Testament Background joins the Dictionary of Jesus and the Gospels the Dictionary of Paul and his Letters and the Dictionary of the Later New Testament and its Developments as the fourth in a landmark series of reference works on the Bible In a time when our knowledge of the ancient Mediterranean world has grown this volume sets out for readers the wealth of Jewish and Greco Roman background that should inform our reading and understanding of the New Testament and early Christianity The Dictionary of New Testament Background takes full advantage of the flourishing study of the Dead Sea Scrolls and offers individual articles focused on the most important scrolls In addition the Dictionary encompasses the fullness of second temple Jewish writings whether pseudepigraphic rabbinic parables proverbs histories or inscriptions Articles abound on aspects of Jewish life and thought including family purity liturgy and messianism The full scope of Greco Roman culture is displayed in articles ranging across language and rhetoric literacy and book benefactors travel and trade intellectual movements and ideas and ancient geographical perspectives No other reference work presents so much in one place for students of the New Testament Here an entire library of scholarship is made available in summary form The Dictionary of New Testament Background can stand alone or work in concert with one or more of its companion volumes in the series Written by acknowledged experts in their fields this wealth of knowledge of the New Testament era is carefully aimed at the needs of contemporary students of the New Testament In addition its full bibliographies and cross references to other volumes in the series will make it the first book to reach for in any investigation of the New Testament in its ancient setting

**History, Culture, and Religion of the Hellenistic Age** Helmut Koester,2012-10-25 While the first American edition of this book published more than a decade ago was a revised translation of the German book Einf hrung in das Neue Testament this second edition of the first volume of the Introduction to the New Testament is no longer dependent upon a previously published German work The author hopes that for the student of the New Testament it is a useful introduction into the many complex aspects of the political cultural and religious developments that characterized the world in which early Christianity arose and by which the New Testament and other early Christian writings were shaped

Brill's Companion to Sieges in the Ancient Mediterranean Jeremy Armstrong,Matthew Trundle,2019-11-26 Brill s Companion to Sieges in the Ancient Mediterranean is a wide ranging exploration of sieges and siege warfare as practiced and experienced by the

cultures which lived around the ancient Mediterranean basin From Pharaonic Egypt to Renaissance Italy and from the Neo Assyrian Empire to Hellenistic Greece and Roman Gaul case studies by leading experts probe areas of both synergy and divergence within this distinctive form of warfare amongst the cultures in this broadly shared environment Winner of the 2020 Choice Outstanding Academic Title Award *Food and Foodways of Medieval Cairenes* Paulina Lewicka,2011-08-25 As a corpus based study which aims at profiling the food culture of medieval Cairo the book is an attempt to reconstruct the menu of Cairenes as well as their various daily practices customs and habits related to food and eating An Introduction to the Ancient World Lukas de Blois,R.J. van der Spek,2008-10-24 Integrating the results of scholarly work from the past decade the authors of An Introduction to the Ancient World Lukas de Blois and R J van der Spek have fully updated and revised all sixteen chapters of this best selling introductory textbook Covering the history and culture of the ancient Near East Greece and Rome within the framework of a short narrative history of events this book offers an easily readable integrated overview for students of history classics archaeology and philosophy whether at college at undergraduate level or among the wider reading public This revised second edition offers a new section on early Christianity and more specific information on the religions economies and societies of the ancient Near East There is extended coverage of Greek Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic The consequences of Julius Caesar s violent death are covered in more detail as are the history and society of Imperial Rome This new edition is comprehensive covers 3 000 years of ancient history and provides the basis for a typical one semester course lavishly illustrated contains maps line drawings and plates to support and supplement the text with updated captions clearly and concisely written two established and respected university teachers with thirty years experience in the subject areas well organized traces the broad outline of political history but also concentrates on particular topics user friendly includes chapter menus an extensive and expanded bibliography organized by subject area and three appendices an improved introduction and the addition of an epilogue An Introduction to the Ancient World , **The Year One** Metropolitan Museum of Art (New York, N.Y.),2000 More than 150 works of art that exemplify all these societies at the Year One are illustrated in color and explained in this volume Historical summaries accompanied by maps briefly describe the nature of each culture and the flow of power and peoples during the period centering around the Year One Africans John Iliffe,2017-07-13 In a vast and all embracing study of Africa from the origins of mankind to the present day John Iliffe refocuses its history on the peopling of an environmentally hostile continent Africans have been pioneers struggling against disease and nature but during the last century their inherited culture has interacted with medical progress to produce the most rapid population growth the world has ever seen This new edition incorporates genetic and linguistic findings throwing light on early African history and summarises research that has transformed the study of the Atlantic slave trade It also examines the consequences of a rapidly growing youthful population the hopeful but uncertain democratisation and economic

recovery of the early twenty first century the containment of the AIDS epidemic and the turmoil within Islam that has produced the Arab Spring Africans The History of a Continent is thus a single story binding modern men and women to their earliest human ancestors      **Encyclopedia of Ancient Greece** Nigel Wilson,2013-10-31 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece      *Diodorus' Mythistory and the Pagan Mission* Iris Sulimani,2011-04-11 The traditional Diodoran scholarship has been challenged in the last decades by a revisionist approach which concentrates on Diodorus Siculus contribution rather than on his lost sources Building on that approach this book focuses on the Bibliothekes first pentad which has usually been neglected as a subject of research and explores the author's depictions of journeys made by gods and culture heroes A thorough investigation of his historiographical methods and his representation of mythical figures demonstrates that the mythological narrative is not only an essential part of his universal history but also an important supplement to our knowledge of Hellenistic civilization especially its mentality and historical geography
