The Last Poems of D.H. Lawrence Bethan Jones, 2016-03-03 In the first book to take D H Lawrence's Last Poems as its starting point Bethan Jones adopts a broadly intertextual approach to explore key aspects of Lawrence's late style The evolution and meaning of the poems are considered in relation to Lawrence's prose works of this period including *Sketches of Etruscan Places* *Lady Chatterley's Lover* and *Apocalypse* More broadly Jones shows that Lawrence's late works are products of a complex process of textual assimilation as she uncovers the importance of Lawrence's reading in mythology cosmology primitivism mysticism astronomy and astrology The result is a book that highlights the richness and diversity of his poetic output also prioritizing the masterpieces of Lawrence's mature style which are as accomplished as anything produced by his Modernist contemporaries

A Concordance to the Poems of Emily Dickinson S. P. Rosenbaum, 2019-06-30 *A Concordance to the Poems of Emily Dickinson* is the third volume in the distinguished series *Cornell Concordances* Like the others it was programmed on an IBM 704 electronic computer and provides an alphabetical list of all significant words each word given in context In order to provide variants it was based on Thomas H Johnson's three volume edition of all the known texts of Emily Dickinson's poems Included are an analytical preface by the editor and an index of words in the order of frequency

Elemental Natures Lance Lee, 2020-09-14 Praise for *Elemental Natures* Lance Lee's *Elemental Natures* draws together in one inspiring new volume a powerful selection of works These attest to the far reaching intelligence and perceptive insights of a remarkable talent from

Lance Lee's respect for the classical tradition to the vigor of all consuming human love to the welfare of planet earth as well as our common awesome as well as awful experiences In living with these works I could not help coming away with a sense of poetic maturity and mastery Tom Tolnay editor and publisher Birch Brook Press US Elemental Natures draws from a career spread over thirty years Our complexities and place in the world are central in his work while Late Spring brings his difficult father marvelously to life as Lee investigates himself his family and mixed gentile and Jewish background Here is a poet writing with the richness of the Romantics who looks hard at reality and expresses himself with passion and honesty pulling the reader in Myra Schneider Lifting the Sky UK Elemental Natures is a beautiful accomplishment an expanse of poems born of one man's life wish unsettling full blooded tender that shows life's energy pressing up against the margins of mortality with a vibrant sensuous intelligence He offers a way to share and celebrate multiple aspects of being alive within the vitality of art itself as well as within our great archetypal myths which he makes uniquely intimate and essential Pamela Stewart Infrequent Mysteries US

Ten Poems to Change Your Life Roger Housden, 2001-06-26 Great poetry calls into question everything It dares us to break free from the safe strategies of the cautious mind It opens us to pain and joy and delight It amazes startles pierces and transforms us It can lead to communion and grace Through the voices of ten inspiring poets and his own reflections the author of Sacred America shows how poetry illuminates the eternal feelings and desires that stir the human heart and soul These poems explore such universal themes as the awakening of wonder the longing for love the wisdom of dreams and the courage required to live an authentic life In thoughtful commentary on each work Housden offers glimpses into his personal spiritual journey and invites readers to contemplate the significance of the poet's message in their own lives In *Ten Poems to Change Your Life* Roger Housden shows how these astonishing poems can inspire you to live what you always knew in your bones but never had the words for The Journey by Mary Oliver Last Night as I Was Sleeping by Antonio Machado Song of Myself by Walt Whitman Zero Circle by Rumi The Time Before Death by Kabir Ode to My Socks by Pablo Neruda Last Gods by Galway Kinnell For the Anniversary of My Death by W S Merwin Love After Love by Derek Walcott The Dark Night by St John of the Cross

The Chemistry Elemental Book of 118 Poems Walter the Educator, 2023-06-13 The Chemistry Elemental Book of 118 Poems includes unique poems representing each element making it the perfect chemistry gift for the science lover Creating a poetry book about the periodic table of elements can be a unique way of exploring scientific concepts that may seem dry and technical to some Poetry can give a fresh perspective and bring an imaginative approach to learning about the elements It can also help students remember chemical elements and their properties better Moreover it can bridge the gap between science and art and appeal to a larger audience Overall a poetry book about the elements within the periodic table can be an appealing and creative way to engage with science

Elemental Ruchika Pahwa, 2021-10-21 Although this book is not a sequel to one of my previous books Seasonal Spices it picks up on the natural vibes of that book in order to display the newer shades of nature that are more basic or elemental

Seasonal Spices had covered the seasonal colors of nature in its joyous and brighter hues while Elemental focuses on the soul of nature that is rooted in five elements of fire water air earth and space These elements are also the roots of human existence By understanding the deeper meaning and laws of these five elements we can understand our formation and the way we can balance our body mind and soul Such wisdom can ascend our chakras to attain more peace and happiness in this humanly life From Ayurveda yoga and meditation to changing our food habits and lifestyles there are several ways to balance the five elements of nature inside us Through Elemental you will experience a fulfilling journey that shows you the positive aspects of the behavior of each element or the state of matter This poetic ensemble carries the bubblyness and luminosity of all elements in their integrity and synchronous forms This micro poetry book carries 105 micro poems poems of 6 8 lines segmented into an opening section for each element 5 poems in total and a main section for each element 100 poems in total Elemental came into existence via my close bond with nature and the cosmic inspiration that guided me to create it I have merged my spiritual experiences and life knowledge into this compilation that I d like my readers to absorb word by word by diving into the depth of every facet of nature This is because every word is linked to the way an element manifests itself or produces harmony inside us So enjoy this ride on the wings of air and bubbles of ocean through the bumpy space and smooth sand by the cozy fireplace with this book in your hands I send you all my love and light with this creation **100 Poems to**

Break Your Heart Edward Hirsch,2021 We are not so much diminished as enlarged by grief by our refusal to vanish or to let others vanish without leaving a verbal record The poet is one who will not be reconciled who is determined to leave a trace in words to transform oceanic depths of feeling into the faithful nuances of art Poetry companions us Poems are written in solitude but they reach out to others which makes poetry a social act It rises out of one solitude to meet another Poems of terrible sadness and loss trouble and challenge us but they also make us feel less alone and more connected Our own desolations become more recognizable to us more articulate something shared We become less isolated in our sorrow and thus are befriended by the words of another There is something ennobling in grief that is compacted expressed and transfigured into poetry Book jacket **Contemporary Scottish Poetry and the Natural World** Monika

Szuba,2019-06-24 With an exciting and provocative approach to the reading of landscape and the non human world in the work of four major Scottish poets this groundbreaking book merges phenomenology and ecocritical literary criticism The Poems of Andrew Lang John Sloan,2025-05-30 Andrew Lang 1844 1912 made his name in the last quarter of the Victorian era in a remarkable number of literary and intellectual fields as popular poet influential literary critic editor of the classic series of Fairy Books for the young and as author of groundbreaking books on anthropology Homeric scholarship folklore and history This is the first annotated edition of Lang s poems bringing together his books of verse and over 150 additional poems many of them collected for the first time John Sloan s introduction provides a compelling account of Lang s achievements as a poet whose first two books of verse Ballads and Lyrics of Old France and Ballades in Blue China were a harbinger of the

English aesthetic movement Lang helped to create an abiding interest in French poetry and to encourage a new spirit of literary cosmopolitanism in England He also widened the appeal of poetry in an age of new knowledge advancing literacy and the growth of the popular press The authoritative text is accompanied by extensive notes identifying important allusions and significant connections between the poems and Lang s other writings In the headnote to each poem the reader will find a record of publication history textual variants and sources including details of the original sources of Lang s verse translations from the French Greek and Latin The edition offers an invaluable guide to the study of Lang s poetry for students and scholars of nineteenth century British poetry
