Solar Energy Update ,1981 **The Elements of Effective Communication** W. A. Mambert,1971 This book seeks to place the elements of effective communication at everyone's disposal. It is intended as a thinking tool to draw analogies with one's own thinking and experience. As well as this, it allows the reader to be an effective communicating person whether that be for preparation of speeches, sales preparations, presentations or just during informal conversation **Designing, Developing, and Facilitating Smart Cities** Vangelis Angelakis, Elias Tragos, Henrich C. Pöhls, Adam Kapovits, Alessandro Bassi, 2016-12-04 This book discusses how smart cities strive to deploy and interconnect infrastructures and services to guarantee that authorities and citizens have access to reliable and global customized services. The book addresses the wide range of topics present in the design, development and running of smart cities ranging from big data management, Internet of Things and sustainable urban planning. The authors cover from concept to practice both the technical aspects of smart cities enabled primarily by the Internet of Things and the socio-economic motivations and impacts of smart city development. The reader will find smart city deployment motivations, technological enablers and solutions as well as state-of-the-art cases of smart city implementations and services. Provides a single compendium of the technological, political and social aspects of smart cities. Discusses how the successful deployment of smart cities requires a unified infrastructure to support the diverse set of applications that can be used towards urban development. Addresses design, development and running of smart cities including big data management and Internet of Things applications **Authorization and oversight** United States. Congress. House.
