Reincarnation and the Law of Karma William Walker Atkinson,1908 By Reincarnation we mean the repeated incarnation or embodiment in flesh of the soul or immaterial part of man s nature The term Metempsychosis is frequently employed in the same sense the definition of the latter term being The passage of the soul as an immortal essence at the death of the body into another living body The term Transmigration of Souls is sometimes employed the term being used in the sense of passing from one body into another But the term Transmigration is often used in connection with the belief of certain undeveloped races who held that the soul of men sometimes passed into the bodies of the lower animals as a punishment for their sins committed during the human life But this belief is held in disrepute by the adherents of Reincarnation or Metempsychosis and has no connection with their philosophy or beliefs the ideas having sprung from an entirely different source and having nothing in common There are many forms of belief many degrees of doctrine regarding Reincarnation as we shall see as we proceed but there is a fundamental and basic principle underlying all of the various shades of opinion and divisions of the schools This fundamental belief may be expressed as the doctrine that there is in man an immaterial Something called the soul spirit inner self or many other names which does not perish at the death or disintegration of the body but which persists as an entity and after a shorter or longer interval of rest reincarnates or is reborn into a new body that of an unborn infant from whence it proceeds to live a new life in the body more or less unconscious of its past existences but containing within itself the essence or results of its past lives which experiences go to make up its new character or personality It is usually held that the rebirth is governed by the law of attraction under one name or another and which law operates in accordance with strict justice in the direction of attracting the reincarnating soul to a body and conditions in accordance with the tendencies of the past life the parents also attracting to them a soul bound to them by some ties in the past the law being universal uniform and equitable to all concerned in the matter This is a general statement of the doctrine as it is generally held by the most intelligent of its adherents

Framework of Reality:

Understanding Our Subtle Spiritual Nature Douglas Kinney, 2014-06-06 Framework of Reality highlights unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe Scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge about strange and unusual phenomena observed in quantum physics cosmology biology psychology disease and healing death and reincarnation investigations It is a companion book to Frontiers of Knowledge which is a large research book with all the details and all the references Framework provides all the same information in a summary form It can be considered the Cliffs Notes for Frontiers of Knowledge Insights from quantum physics suggest that the basis of our physical universe is mental conscious thought Other discoveries are causing us to redefine our concepts of mind and this elusive thing we call consciousness The verified near death out of body experiences OBEs show that consciousness can exist in a nonphysical form indicating that mind is not tied to the physical brain New concepts of reality are also needed to explain the incredibly fine tuned characteristics of our physical universe The mysterious nature of dark energy and dark matter suggests that their source resides in subtle energy dimensions Strong hints of subtle dimensions are also provided in near death OBEs subtle energy healings and documented accounts of very unusual mind body effects Thousands of between lives spiritual regression cases and the deeper near death experiences provide us with fairly consistent descriptions of a nonphysical realm populated by souls living in a highly developed culture that is interacting with humans This revolutionary information demands a revised and expanded view of reality one in which spirituality is the underlying source of reality Highlights on all of the above and more are presented in Framework of Reality and they provide readers with the outline of this new revolution in knowledge

Illuminati Bible of Divine Light: Part one Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will

wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin Soul Through Heaven Bu YaoKeLe,2020-10-13 He was a modern man with Nine Dragon's Heaven Meridians In one bizarre trip to this astral realm nine dragon meridians turned into nine silver lines and the embroidery patterns on Ling Feng's body were Nine Silver Striped Dragons As each dragon soul awakened he would embark on a thrilling and legendary journey *World Philosophies* Ninian Smart,2013-12-19 World Philosophies presents in one volume a superb introduction to all the world's major philosophical and religious traditions Covering all corners of the globe Ninian Smart's work offers a comprehensive and global philosophical

and religious picture In this revised and expanded second edition a team of distinguished scholars assembled by the editor Oliver Leaman have brought Ninian Smart s masterpiece up to date for the twenty first century Chapters have been revised by experts in the field to include recent philosophical developments and the book includes a new bibliographic guide to resources in world philosophies A brand new introduction which celebrates the career and writings of Ninian Smart and his contribution to the study of world religions helps set the work in context **The Theosophist** ,1910 **Ancient Egypt and the East** Sir William Matthew Flinders Petrie,1920 Ancient Egypt ,1922 **ANCIENT AND MODERN**

EMPIRICISM: CHARVAKA AND LOGICAL POSITIVISM DR. KIRAN JAYDEO SAVE,2024-11-16 In this book author tried to present the philosophy of charvaka covering the basic principles of epistemology metaphysics and the basic thought of charvaka about the way of life right from the evolution and civilization of the Indian philosophical system can be broadly classified into two philosophies The heterodox nastika and orthodox asthika Basically charvaka s whole philosophy is based on the common man s daily way of life therefore it is also called as lokayat due to his materialistic and aesthetic principles Charvaka rejects the existence of gods like Buddha the concept of the soul and Swarg and Narak concepts in this book author describes charvakas life and basic principles based on swabhavvada He rejects external power that can interfere in the human life The author in this book differentiates between the asthika and nastika and the doctrines of Hindus Jains and Buddhists In this book you will find the viewpoint of charvaka about spiritualism and criticism of the people about charvakas materialism In this book author well structured the charvaka darshan and its usefulness to the Indian society The author emphasizes on the doctrines led by charvaka and its applicability forever for the mankind The author says we can avoid Charvaka but cannot destroy his philosophy As the philosophy of charvaka which is the first which propagated freedom of thought and nastikwad is closer to the nature and closest to the humanism conscience is the basic philosophy of charvaka which propagated and stimulates the man to think which is the sign of liveness and this is the true philosophy of life

Illuminati Bible of Divine Light Sorin Cerin, The present book entitled the Illuminati Bible of Divine Light is a work of philosophy that deepens both ontological and gnoseological themes regarding the Existence of God and implicitly ours I have said many times so far that philosophy is the religion of the future At the base of the Illuminati Bible of Divine Light is the philosophical religious system called Coaxialism published in its final form in the book entitled Coaxialism Final Edition but also the Collection of Wisdom consisting of 16 777 aphorisms structured according to certain themes published in its final form in the book entitled The Wisdom Collection 16 777 Philosophical Aphorisms 2020 Edition The God of the Illuminati Bible of Divine Light is not a dictatorial God who demands total submission from Man so that Man can benefit from a Paradise after Death but is a God of Man s rediscovery in his own Self The God of this World is the Creator Factor and Unique Incidentally who is defined through a Meaning that forms a Word In the Parallel Universes there are an infinity of Creator Factors and Unique Incidentally where each one in part is a Meaning that in turn determines a Word in the respective

Universe Word from which the respective Universe was formed as well as our Universe in turn was formed from the Word of our own Creator Factor and Unique Incidentally The totality of the Creator Factors and Unique Incidentally that is the totality of the Meanings which determine in their turn each in part a Word form the Universal Pure Language which in its totality determines the Consciousness Unique and Incidentally of the Universal Unique Expression which is the Supreme God the Supreme Intelligence of all Universes whose number is infinite as is infinite and the number of the Words defined in turn each in part by the Creator Factors and Unique Incidentally The Unique Incidentally Consciousness of the Universal Unique Expression always KNOWS where it is and what namely it does each atom in part each elementary particle in part from each Universe which in turn together with all the other Universes makes up the infinity of Universes I have always said that we are from before us that is we are a reflection of what was and from here comes the Destiny that cannot be changed and the Free Will is an Illusion from the great range of the Illusions of Life Everything that will Happen in our Future has Happened and has been in our Past before it was Time Thus the spiritual Energy of our Soul is allowed to pass through the Happenings that the Illusion of our own Life renders to us as being something new even though they were long before us We are a quantum of energy which flows through a reflection of the World that was before Time a World through whose reflection we flow in the so called Present with our own spiritual energies of the Soul having the false sensation of Time Past Present and Future From this flowing of ours through the reflection of that World in the Mirror of Knowledge we have the feeling that we are living our own Life even though in reality we are living our own Illusion of Life In conclusion we are only a quantum of energy which flows through the reflected images of the World that was somewhere sometime from before Time As those images of the World in whose reflection we have the Illusion that we live cannot be changed so neither our Destiny cannot be changed because it flows once with the spiritual energies of our Souls through the images of that World which cannot be changed by us because that World was before us Thus precisely the Illusion of Life that gives us the so called Free Will he which in reality does not exist she the Illusion of Life is the one that can help us to improve or worsen the spiritual energy of our Soul Hence results the necessity of the Illusion of Life in this World Thus once we travel through this World with Happenings that were long Before we believed that it Happens accompanied by the Illusion of Life that makes us believe in the existence of Free Will we go through all sorts of Trials that are the spiritual relief forms of this World which is a reflection of what was somewhere sometime and from here comes the ineffable Destiny Destiny is ineffable because it cannot be changed because neither the World through whose reflection we pass can never be changed Thus the religions that have developed in this World did not appear Incidentally but they existed in the Initial World that was reflected in the Mirror of our Knowledge a World that was long Before us In that World was also Jesus Christ and the other Great Prophets such as the Prophet Muhammad the Buddha Moses etc What Happened on Earth that is in our World was that some Souls who were so spiritually perfect had the approval of God to travel through this World in the bodies of these Great Prophets just as each of

us have the acceptance of God to travel through this World in our own bodies which are some vehicles that take us from the destination of Birth to the destination of Death These vehicles which are our bodies they too are in turn a reflection of a World that was long Before us Due to these things every Man is born under the specter of a certain Religion which has been left so by God through Destiny to Happen The appearance of the Great Prophets was due to the Destiny Jesus Christ did not appear from Nothingness Incidentally in our World but was left namely to Happen in this way by God because God is the one who let the Mirror of Knowledge through which we to can become Aware of this World That s exactly why every Man is good to follow the Religion existing in the area where he was born and to respect the Religions of other People born in other areas where there are other kinds of Religions until these will be replaced or not by other Religions or philosophical and religious systems with the Will of God that is on the understanding of some in a natural way and not forced by anyone Even Atheism is in itself a Religion precisely through the fact that it is based on a certain Faith where God is represented through the Laws of the Universe It has been speculated about me that in the book The Evil I do not make a clear distinction between the Evil necessary for the existence of Good and the Devil Evil is necessary for the existence of Good just as Good is necessary for the existence of Evil Evil can often be a far greater Good than Good and vice versa Good can sometimes be a far greater Evil than Evil Instead with what I do not agree and can really be considered an Evil that can be Devilish is for example Wickedness About wickedness I have developed an entire chapter in the book entitled The Far Future of Mankind Philosophical Aphorisms the Chapter of Wickedness aphorisms 1 227 a book which in turn is part of The Wisdom Collection 16 777 Philosophical Aphorisms which in turn is part from this book entitled The Illuminati Bible of Divine Light Thus Wickedness is something demonic which must be combated because the Evil it brings does not serve the Good than in a much lesser extent than the Good could serve the Evil from this Wickedness If we are to attribute Wickedness to the Devil then we must certainly avoid him as much as we can In conclusion Evil and Good are the attributes of God when Evil can help the Good and of the Devil when Evil can not help the Good than an even greater Evil There is all sorts of speculation concerning the fact that I would have stated in Coaxialism that Man thinks only with a tiny percentage of the brain I even said that Man does not think than with 2 percent from his brain I stated this in the context in which I wanted to express that only a tiny percentage of the cognitive total we use would have any connection with the Absolute Truth through this interweaving of Illusions of the Life through which we travel during our own Life In reality I think that that two percent percentage is very high and in reality it would not be not even that much And the brain in turn is also an Illusion from the arsenal of the Illusions of Life so the so called ability of the human brain to process data is an Illusion as great as our own Illusion of Life is It is irrelevant whether or not Man uses his entire brain in the thought process once his entire thought process is subjected to the Illusion of Life and due to this fact the Man s thinking is not anchored by even two percent to the Absolute Truth With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a

more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism In the last edition of the Wisdom Collection I published six other new books of philosophical aphorisms bringing the Collection of Wisdom to a total of 16 777 philosophical aphorisms The last books refer to topics such as those related to Justice to the World after Death to the philosophy of Artificial Intelligence to the far Future of Mankind etc All this highlights not only a Bible with concepts like the

one I called the Illuminati Bible but also one that fully reflects my thinking and faith as a whole which is based on my philosophical religious system called Coaxialism and therefore the book could not be called otherwise than the Illuminati Bible of Divine Light Especially since in this book entitled the Illuminati Bible of Divine Light there is also the final form of my philosophical religious system called Coaxialism where I refer to Transcendental Coaxiological Mathematics but also to Mathematical Psychology I am convinced that philosophy Coaxialism will become part of the Religion of the Future a Religion whose churches will be the souls of the People Yes I want that the soul of every Man to be a Temple of worship Enlightened by the Divine Light of Absolute Truth whose Thought is reflected by the Universal Consciousness of the Universal Pure Language A Language whose Words are infinite and of all these Words one of them is our God that is our Creator Factor and Unique Incidentally who gave birth to this World Sorin Cerin July 7 2021 **Wireless from Venus** Charles Henry Taylor,1922
