Elephants The Vanishing Giants:

Elephants Dan Freeman, 1980 **Elephants, the Vanishing Giants** Dan Freeman, 1981 Surveys the relationship between elephants and man and the threatened environment in which they now live **Vanishing Giants** Palani Mohan, 2008-02 Vanishing Giants Elephants of Asia is a photographic book which looks at the Asian elephant its struggle to find a place in a rapidly urbanising world and the lives of the people who exist alongside them *The Elephant Conspiracy* Peter Hain, 2022-11-10 In the South African veld elephant herds are being callously killed for their ivory by murderous poachers Fighting to save them the Veteran and his team find themselves pitted against ruthless killers and wholesale political corruption From conservation to politics from bushveld to city and from high finance to poaching this is a vivid and compelling journey into the competing worlds of activism and corruption Lifts the lid on the ongoing threat to the endangered species Daily Telegraph Gripping tense and timely Alan Johnson **The Asian Elephant** R. Sukumar, 1992 This ecological analysis of elephant human interaction and its implications for the conservation of Asian elephants includes recommendations on conservation and management taking into consideration the socio economic characteristics of the Asian region **ELEPHANT-THE LADY BOSS** Dr. C.H. Basappanavar, 2021-04-09 Why elephant is known as The Lady Boss The Indian elephant *Elephas maximus* the matriarchal society is led by the wisest and eldest female of the family herd Here the matriarch is the boss Being hub of the family she not only performs the usual maternal tasks but also protects the family with extreme efficiency from potential enemies apart from guiding the family to safety in times of crises The matriarch keeps male suitors at a trunk's distance only allowing them to join the herd when their presence is felt necessary to service the females in oestrus Her long memory over fifty years experiences among others help in leading the family to introduce potential feeding grounds waterholes natural springs and salt licks within her domain ranging over 50 or more km² The matriarchal family remains united and truly stable to enable to wage war against adversaries and enemies With prowess and devotion to her kin the gentle giant remains the unquestionable authority She acts like a lady and thinks like a boss Hence the book **ELEPHANT-THE LADY BOSS** **Elephants** Karl Gröning, Martin Saller, 1999 Traces the history of elephants describes their behavior and characteristics and looks at their influence on various cultures **Earth Polyphony** Suhasini Vincent, 2024-02-19 In *Earth Polyphony* Suhasini Vincent analyzes the theory of ecocriticism in its entirety and its existence in the global paradigm of climate change Vincent shows how a polyphony of voices can affect law and decision making in the era of the Anthropocene and aptly shows how voices can coexist as in Bakhtinian polyphony where multiple perspectives coexist despite contradictions and differences Vincent argues that both material and non material worlds are endowed with storied forms of knowledge that prompt ecocritical writers to engage in new experimental modes of expression She explores the material turn the animal turn and the narrative turn to highlight how law meets literature prompts eco activism and how these crisscrossing narratives influence each other to spark judicial activism in forums around the planet *Elephants*

Lobban,2003-12-09 The Historical Dictionary of Ancient and Medieval Nubia covers the period from the Paleolithic all the periods of ancient Nubia Predynastic Kerma Dynasty XXV Napatan Meroitic Post Meroitic and to the end of medieval Christianity in Nubia Sudan This resource focuses on Nubian history through a Nubian perspective rather than on the more common Egypto centrism perspective and the coverage is based on the latest and best archaeological and epigraphic evidence Newly created maps of the general area and its specific regions and place names and a photospread showing important related features of the region are included A detailed chronology provides a timeline of historical events and an introductory narrative shapes the overall history and leads to the main body of the work in the form of a cross referenced dictionary The descriptive entries cover the main features of the region in the various periods that are key not only to Nubian events but also to the important interactions they had with Egypt to the north Nine

appendices and an extensive bibliography conclude this work Lobban has been teaching Nubian studies in undergraduate classrooms for thirty years and this book is a product of his hands on experiences as well as extensive anthropological fieldwork and travel in Sudanese and Egyptian Nubia Historical Dictionary of Ancient Nubia Richard A. Lobban Jr.,2021-04-10 This new book descends from a former combined reference book on Ancient and Medieval Nubia but now expands and focuses primarily on Prehistoric and Ancient times It contextualizes the foundational roots of human evolution in the Paleolithic and Mesolithic stone ages and on to the Neolithic revolution built on farming and livestock Meanwhile Kerma was the most ancient African states and their relationship with dynastic Egypt Precisely ancient Kerma a was a serious political economic and military rival to Old and Middle Kingdoms of Egypt But in the New Kingdom the balance of regional forces was dramatically changed with Egyptians defeating Kerma and occupying and colonizing Kush Nubia for 500 years In the 11th century BCE the political unity of Egypt withered away and after recovering from foreign exploitation Nubians began to reconstitute a small state at Kurru with renewed pyramid building and then finding no Egyptian resistance these Nubians kings advanced on Egyptian Nubia and then on to Upper Egypt Finally Nubians were able to take over all of Egypt as the pharaohs of century long Dynasty XXV This so called Ethiopian dynasty had the famed pharaohs of Piankhy Shabaka Shabataka Taharka and Tanutamun ruling for various terms three of who are mentioned in the Biblical Old Testament Even when Nubians were expelled from Egypt by foreign Assyrian invaders they retreated to Napata to carry on their ancient state for three more independent centuries as Egyptian remained conquered by various foreigners for 2 500 years Most notable of these foreign conquerors of Egypt were the Greeks Ptolemies and the Roman who arrived and polytheists and left as Christians During this Greco Roman period in Egypt Nubians strategically withdrew still further south to the Kingdom of Mero from the 4th century BCE to the 4th century CE Meroe is also covered in great detail as it was famed for many regnant queens a unique and undeciphered writing system iron production and important monumental works including more pyramids than found in Egypt Yes smaller and later but many more pyramids that are still standing in several World Heritage sites in Nubia After Mero began a long decline it was finally vulnerable to attack from Christian Axum on the 4th century CE Two murky centuries of regional rule known as the X Group were to follow but by the 6th century Nubians recreated three Christian states that are covered in detail in the following Historical Dictionary of Medieval Christian Nubia and the Historical Dictionary of Sudan for Islamic and modern times **Historical Dictionary of Medieval Christian Nubia** Richard A. Lobban Jr.,2020-10-20 Medieval Christian Nubia is often a neglected period of medieval African history Because meaning is determined largely by context this work traces the Greco Roman Meroitic and Jewish precursors The regional historical and theological schisms within Christianity are also a highlight The dynamics of the three Nubian kingdoms of Nobatia Mukurra and Alwa are the centerpiece of this book that covers mural arts architecture and the names of the leading kings and bishops Another strength of the book is the analysis of the 700 year baqt peace treaty between Christian Nubia and Islamic Egypt

this is considered to be the longest lasting treaty in diplomatic history The complex transition from Christianity to Islam in the 14th century is analyzed in great personal political and military detail Historical Dictionary of Medieval Christian Nubia contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on politics economy foreign relations religion and culture of the medieval Nubians This book is an excellent resource for students researchers and anyone wanting to know more about Medieval Christian Nubia *Green Heroes* László Erdős,2020-01-14 This book provides an introduction into the diversity of the environmental movement through great characters in the green sector The book describes inspiring personal achievements and at the same time it provides readers with information regarding the history the main directions and the ethical principles of the environmental movement Some of the most important characters of the movement from all around the world are included in the book As well as the title characters Buddha and Leonardo DiCaprio other famous environmentalists like Albert Schweitzer David Attenborough and Jane Goodall are discussed Some of the less well known but equally important environmentalists such as Chico Mendes Bruno Manser Henry Spira Tom Regan or Rossano Ercolini are highlighted in the various chapters The selection of characters represents all major branches within the green sector ranging from medieval saints to Hollywood celebrities from university professors to field activists from politicians to philosophers from ecofeminists to radicals **Wild Elephants in Captivity** Jack Adams,1981 *The Spectator* ,1898 **Elephants** Ronald Isaac Orenstein,1997 ELEPHANTS features text by some of the world s leading authorities on the African elephant It has more than 100 color pictures and is very much a celebration of this magnificent animal *When Elephant was King and Other Elephant Tales from Africa* Nick Greaves,1996 Following *When Hippo was Hairy* and *When Lion Could Fly* this is a further collection of traditional wildlife tales Twenty five African fables about elephants are combined with factual information about elephants and their conservation designed to appeal to both children and adults **The Elephant's Cry** Pasquale De Marco,2025-05-22 In a world where elephants are facing unprecedented threats this book takes a powerful and unflinching look at the challenges they face and the urgent need for action to save them Through the eyes of dedicated conservationists we embark on a journey into the heart of the elephant s world witnessing the devastating impacts of poaching habitat loss and human elephant conflict With vivid storytelling and expert analysis this book delves into the complex web of factors that are pushing elephants to the brink of extinction We travel to the front lines of the battle against poaching where brave rangers risk their lives to protect these gentle giants We explore the devastating impact of habitat loss and fragmentation as human settlements and agricultural expansion encroach on elephant territory leading to conflicts and sometimes fatal encounters But this book is not just a chronicle of despair It is also a celebration of the resilience and beauty of elephants and a testament to the unwavering dedication of those who are fighting to save them We meet inspiring individuals who are working tirelessly to find solutions to human elephant conflict promote coexistence and raise awareness about the plight of elephants This book is a call to action a clarion call to raise

awareness and inspire action to save the elephants It is a reminder that we are all connected that the fate of elephants is intertwined with our own and that we have a moral imperative to protect these magnificent creatures for generations to come Join us on this urgent journey to save the elephants Read this book share it with others and become part of the movement to protect these iconic symbols of our natural world If you like this book write a review on google books
