Growing a Seminary in Ethiopia: Carl E. Hansen,2025-01-26 At the invitation of the Meserete Kristos Church the author and his companion leave comfortable positions in Nairobi Kenya to assist in establishing a Christian liberal arts college in Ethiopia They find a nation in abject poverty slowly recovering from seventeen years of war and Marxist revolutionary misrule They find a nascent church growing at 17% per annum among a deeply depressed and disillusioned population Stripped of all her institutions and physical assets by the former Dergue regime the liberated church was starting over Opening a small Bible institute in 1994 the church envisioned it becoming a tertiary level college This autobiographical memoir is a missionary story of expatriate participants attempting to relate to an established church in a culture vastly different than their own They find that assisting local leadership to achieve their goals can be challenging especially when visions change and disagreements arise It is a human story of cultural clashes personality conflicts misunderstandings changing visions adapting to changing external developments over a thirty year period It is a Christian story of going the second mile of repentance of forgiveness of reconciliation It is a faith story of relying upon God of God s timing of God s faithfulness in protection and provision This is a success story the small Bible institute becomes a seminary with thousands of graduates leading and blessing a vibrant growing church that is blessing the nation The events of this story took place in the environs of Addis Ababa and Bishoftu Ethiopia over a thirty year period between 1994 and 2023
