

THE APERTURE HISTORY OF PHOTOGRAPHY SERIES

The first multivolume series devoted to the great photographers of the world and their most important images. Each book presents an evocative selection of the photographer's lifework accompanied by a memorable text—produced with the finest printing quality, Aperture's trademark for twenty-five years.

The complete series will provide an unmatched library of historical and living photographers.

Edward Steichen: His career in photography spanned three-quarters of a century. With artistic confidence and remarkable talent, he swept ahead of his contemporaries. With a lifelong sense of the romantic, coupled with spare methods and consummate technical skill, he produced some of the medium's most innovative and compelling images.
