Heinrich,2007 Published in association with the Society for Theatre Research this is a comparative study of regional theatre in Britain and Germany during the key period of 1918 to 1945 [Gordon Stretton, Black British Transoceanic Jazz Pioneer](#)

Michael Brocken,Jeff Daniels,2018-09-15 This extensively researched text concerning the life and career of Liverpool born Black jazz musician Gordon Stretton not only contributes to the important debate concerning the transoceanic pathways of jazz during the 20th century but also suggests to the jazz fan and scholar alike that such pathways reaching as they also did across the Atlantic from Europe are actually part of a largely ignored therefore partially hidden history of 20th century jazz

performance industry and influence The work also exists to contribute to a more complete picture of the significance of diaspora studies across the spectrum of popular music performance and to award to those Liverpool musicians who were not contributors to the city's musical visage post rock n roll a place in popular music history Gordon Stretton was a jazz pioneer in several senses he emerged from a poverty stricken racially marginalized upbringing in Liverpool to develop a popular music career emblematic of Black diasporan experience He was a child dancer and singer in the Lancashire Lads the troupe which was also part of a young Charlie Chaplin's development a well respected solo touring artist in the UK as The Natural Artistic Coon a chorister and musical director with the Jamaican Choral Union and having encountered syncopated music a jazz percussionist multi instrumentalist and vocalist not to mention a ground breaking bandleader All of these musical experiences took place through time on his own terms as he learnt his craft on the hoof via many different encounters with musical genres from Liverpool to London Paris Brussels Rio and Buenos Aires Gordon Stretton was truly a transoceanic jazz pioneer

Popular Culture in London C.1890-1918 Andrew Horrall, 2001-12-07 Reg Prentice remains the most high profile politician to cross the floor of the House of Commons in the post war period His defection reflected an important sea change in British politics the end of the post war consensus and the beginnings of the Thatcher era This book examines the key events surrounding Prentice's transition from a front line Labour politician to a Conservative minister in the first Thatcher government It focuses on the shifting political climate in Britain during the 1970s as the post war settlement came under pressure from adverse economic conditions militant trade unionism and an assertive New Left Prentice's story provides an important case study on the crisis that afflicted social democracy highlighting Labour's left right divide and the possibility of a realignment of British politics This study will be invaluable to anyone interested in the turbulent and transitional nature of British politics during a watershed period

A World of Popular Entertainments Gillian Arrighi, Victor Emeljanow, 2012-03-15 This groundbreaking volume of critical essays about popular entertainments brings together the work of eighteen established emerging and independent scholars with backgrounds in Archives Theatre and Performance Music and Historical Studies currently working across five continents The first of its kind to examine popular entertainments from a global and multi disciplinary perspective this collection examines a broad cross section of historical and contemporary popular entertainment forms from Australia England Japan North America and South Africa and considers their social cultural and political significance Despite the vibrant complex and ubiquitous nature of popular entertainments the field has suffered from a lack of sustained academic attention Nevertheless popular entertainments have a global reach and a transnational significance at odds with the fact that the meaning and definition of both popular and entertainment remain widely contested Since the late nineteenth century class based prejudices in Western culture have championed the superiority of art and literature over the dubious and fleeting pleasures of entertainment Similarly the term popular has carried pejorative connotations indicating something common and outside the conventional and highbrow productions of the

purpose built theatre house or concert hall Irrespective of whether popular is code for a cultural product with a folk origin or a term indicating the mass appeal of a cultural product this volume s re assessment of popular entertainments from a global perspective is timely The performance research embodied in this volume was first discussed at A World of Popular Entertainments International Conference University of Newcastle Australia 2009 in response to a multi disciplinary call for scholars to explore a variety of topics relevant to the study of popular entertainments

Finding Endurance Darrel Bristow-Bovey,2023-04-06 Engaging absorbing and crammed with marvellous stories Finding Endurance is a tale about exploring the cold told with much warmth MICK HERRON Beautiful thrilling heroic and kind a ripping yarn CLAIRE ROBERTSON AUTHOR OF THE SPIRAL HOUSE Tender heartfelt and lyrical PETINA GAPPAH AUTHOR OF OUT OF DARKNESS SHINING LIGHT An exhilarating read HENRIETTA ROSE INNES AUTHOR OF GREEN LION Since the discovery of the wreck of Ernest Shackleton s ship Endurance on the bed of the Antarctic ocean the world has been enthralled anew by one of the greatest stories of all time Acclaimed South African writer Darrel Bristow Bovey himself a Shackleton aficionado revisits this dramatic event which managed to sweep the tide of anger and rancour off the timelines and front pages of the world He asks how so many ordinary people who don t know a nunatak from a barquentine were so moved at the finding of a small wooden ship once sailed by a half forgotten Irishman In re examining the story and its players he presents new details and a new understanding of the courage and hardship of the Endurance voyage and reminds us of how extraordinary humans can be Not all is lost and what has been lost can be regained the ocean has given us something back What s more we are reminded that miracles still happen human miracles performed by flawed people in helpless situations

The Whole Story John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences

Britain and Victory in the Great War Peter Liddle,2018-06-30 How can we begin to make sense of the Great War now that over 100 years have passed since it ended with the defeat of Germany Austria Hungary the Ottoman empire and Bulgaria and the collapse of Tsarist Russia The conflict had such a profound influence on world history that is it difficult to reconcile the different perspectives and draw clear conclusions That is why this thought provoking collection of original essays on the outcome of the war and its aftermath is of such value It completes the trilogy of ground breaking volumes conceived and edited by Peter Liddle which presents the latest scholarly thinking about the Great War from an international perspective The first two volumes Britain Goes to War and Britain and the Widening War made this stimulating new writing accessible to a broad readership and this final volume has the same aim A group of over twenty expert contributors reconsider the military reasons for the outcome of the fighting and look at the consequences for the principal nations involved They explore the way the war and the peace settlement shaped the twentieth century and had an enduring impact within Europe and beyond

investigates the relationship between these 3 industries and how this relationship can be developed to its best competitive advantage Issue led this text draws on appropriate disciplines rather than using one single approach to examine issues in arts and entertainment within the framework of cultural tourism Written to meet the needs of students studying on management courses in the arts tourism and leisure Arts Entertainment and Tourism Describes the general arts and tourism background Identifies a framework for analysis that acknowledges differing levels of interest in the arts and entertainment Discusses the arts and entertainment that feature past and present in tourism Examines the reasons why the arts entertainment and tourism have an interest in each other and how they go about developing the relationship Examines the relationship are there tourists in audiences and do the arts and entertainment attract tourists to a destination Evaluates the wider effects good and bad on both the arts and tourism Discusses the direction of future developments by arts and tourism organizations and for future research An Edwardian's View of Dickens & His Illustrators Harry Furniss,Gareth

Cordery,2005 **The Art of Entertainment** Jason Price,2024-04-23 In this book theatre historian Jason Price looks at the relationships and exchanges that took place between high and low cultural forms in Britain from 1880 to 1940 focusing on the ways in which figures from popular entertainments such as music hall serio comics clowns and circus acrobats came to feature in modern works of art Readers with an interest in art theatre and the history of modern Britain will find Price s approach which sees major works of art used to illuminate the histories of once famous entertainers and the wider social political and cultural landscape of this period accessible and engaging The book will bring to life for readers some of the most vivid works of modern British art and reveal how individuals historically overlooked due to their gender sexuality or race played a significant role in the shaping of British culture during this period of monumental social change *The Britannia Panopticon Music Hall and Cosmopolitan Entertainment Culture* Paul Maloney,2016-10-13 Focusing on Glasgow s earliest surviving music hall the Britannia later the Panopticon this book explores the role of one of the city s most iconic cultural venues within the cosmopolitan entertainment market that emerged in British cities in the nineteenth century Shedding light on the increasing diversity of commercial entertainment provided by such venues offering everything from music hall early cinema and amateur nights to waxworks menageries and freak shows this study also encompasses the model of community based working class music hall which characterised the Panopticon s later years challenging narratives of the primacy of city centre variety Providing a comprehensive analysis of this dynamic popular theatre of the industrial age Maloney examines the role of the hall s managers marketing and promotional strategies audiences and performing genres from the hall s opening in 1859 until final closure in 1938 The book also explores stage representations of Irish and Jewish immigrant communities present in surrounding city centre areas demonstrating the Britannia s diasporic links to other British cities and centres in North America thus providing a multifaceted and pioneering account of this still extant Victorian music hall *The Arab Nahda as Popular Entertainment* ,2023-11-16 What was popular entertainment like for everyday

Arab societies in Middle Eastern cities during the long nineteenth century In what ways did caf culture theatre illustrated periodicals cinema cabarets and festivals serve as key forms of popular entertainment for Arabic speaking audiences many of whom were uneducated and striving to contend with modernity s anxiety inducing realities Studies on the 19th to mid 20th century s transformative cultural movement known as the Arab nahda renaissance have largely focussed on concerns with nationalism secularism and language often told from the perspective of privileged groups Highlighting overlooked aspects of this movement this book shifts the focus away from elite circles to quotidian audiences Its ten contributions range in scope from music and visual media to theatre and popular fiction Paying special attention to networks of movement and exchange across Arab societies in Lebanon Syria Egypt Iraq and Morocco this book heeds the call for translocal transnational cultural histories while contributing to timely global studies on gender sexuality and morality Focusing on the often marginalized frequenters of caf s artist studios cinemas nightclubs and the streets it expands the remit of who participated in the nahda and how they did
