Johnston, 2011-05-23 Mobilizing a Great Commission Church for Harvest

addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism. They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare. Key leaders and professors write in their areas of expertise. For examples Alvin Reid writes on Mobilizing Students, David Wheeler on Servant Evangelism, Josef Solc on Sports Evangelism, and Darrell Robinson on The Evangelist. In addition, the book begins and ends with two different applications of Matthew's Great Commission. Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry. It is fresh, new, and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God.

The Church of Us vs. Them David E. Fitch, 2019-07-16 We are living in angry times. No matter where we go, what we watch, or how we communicate, our culture is rife with conflict. Unfortunately, Christians appear to be caught up in the same animosity as the culture at large. We are perceived as angry, judgmental, and defensive, fighting among ourselves in various media while the world looks on. How have we failed to be a people of reconciliation and renewal in the face of such tumult? Claiming that the church has lost itself in the grip of an antagonistic culture, David Fitch takes a close look at what drives the vitriol in our congregations. He traces the enemy-making patterns in church history and diagnoses the divisiveness that marks the contemporary evangelical church. Fitch shows a way for the church to be true to itself, unwinding the antagonisms of our day and making space for Christ's reconciling presence in our day-to-day lives. He offers new patterns and practices that move the church beyond making enemies to being the presence of Christ in the world, helping us free ourselves from a faith that feeds on division.

The Secret of Soul Winning Stephen Olford, David Olford, 2007 Olford's classic book on how to share one's faith with others returns to print with updates from his son and contributions from Billy Graham and Adrian Rogers.

Fuel the Fire Charles Kelley, 2018-05-15 The evangelistic focus of the Southern Baptist Convention has diminished, creating unprecedented challenges. In *Fuel the Fire*, Chuck Kelley intends to start a conversation urging readers to continue carrying out the work of evangelism.

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries, Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa. Moreover, its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in the mission civilizatrice, mission to civilize. However, since the 1980s, Neo-Pentecostalism is increasingly reshaping the Congolese Christendom. It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self-theologizing informed by a lack of literal contextual translation effects. This book argues that the prosperity gospel bankrupts its adherents; in this case, the vulnerable impoverished sections of Sub-Saharan Africa and particularly the Postcolonial Congo. Instead, it offers a balanced theological reflection that broadens Neo-Pentecostal studies with an African voice, encouraging the rewriting and rereading of the story of redemptive mission. The research engages a paradigm shift within global missions and world Christianity or

the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story
