Ego in Evolution Esther Menaker, William Menaker, 1965      **The Evolution of the Ego** Sue Dumais, 2019-01-12 Take a journey with Sue as she creates a deep awareness and a profound understanding of the nature of the ego The ego serves a purpose in our lives until one day it doesn't The challenge is when that day comes the ego rejects the idea that it no longer serves a purpose and it hijacks our mind convincing us that we can't live without it The ego is a clever shape shifter and master of many disguises that are designed to manipulate us and keep us stuck in its programmed cycle of fear Sue has been studying the ego for more than a decade The insights she shares provides a road map and foresight for your journey allowing you to be a step ahead of your ego equipped to navigate its antics and possible path of evolution This book is designed to support you in unwinding your ego and all the ways it is embedding fear into your life It is not about denying our humanness it is about embracing our humanness and embodying our divinity all at the same time It is about allowing us to be a full expression of our unique Self and to play the role we are meant to play in this life as we contribute to the healing and awakening of all of humanity      **Ego in Evolution [by] Esther Menaker and William Menaker** Esther Menaker, 1965
