Unexpected Links Between Egyptian And Babylonian Mathematics Joran Friberg, 2005-06-22 Mesopotamian mathematics is known from a great number of cuneiform texts most of them Old Babylonian some Late Babylonian or pre Old Babylonian and has been intensively studied during the last couple of decades In contrast to this Egyptian mathematics is known from only a small number of papyrus texts and the few books and papers that have been written about Egyptian mathematical papyri have mostly reiterated the same old presentations and interpretations of the texts In this book it is shown that the methods developed by the author for the close study of mathematical cuneiform texts can also be successfully applied to all kinds of Egyptian mathematical texts hieratic demotic or Greek Egyptian At the same time comparisons of a large number of individual Egyptian mathematical exercises with Babylonian parallels yield many new insights into the nature of Egyptian mathematics and show that Egyptian and Babylonian mathematics display greater similarities than expected

A Polish Woman's Experience in World War II Irena Protassewicz, 2019-02-07 This hitherto unpublished first hand witness account written in 1968 9 tells the story of a privileged Polish woman whose life was torn apart by the outbreak of the Second World War and Soviet occupation The account has been translated into English

from the original Polish and interwoven with letters and depositions and is supplemented with commentary and notes for invaluable historical context Irena Protassewicz's vivid account begins with the Russian Revolution followed by a rare insight into the life and mores of the landed gentry of northeastern Poland between the wars a rural idyll which was to be shattered forever by the coming of the Second World War Deported in a cattle truck to Siberia and sentenced to a future of forced labour Irena's fortunes were to change dramatically after Hitler's attack on Russia She charts the adventure and horror of life as a military nurse with the Polish Army on a journey that would take her from the wastes of Soviet Central Asia through the Middle East to an unlikely ending in the highlands of Scotland The story concludes with Irena's search to discover the wartime and post war fate of her family and friends on both sides of the Iron Curtain and the challenges of life as a refugee in Britain A Polish Woman's Experience in World War II provides a compelling personal route into understanding how the greatest conflict of the 20th century transformed the lives of the individuals who lived through it Amnesiac President and Celebrity Wife Luo Shuyueying, 2020-01-20 She was an unfavoured Second Miss the cold and aloof CEO of the Ming family A glass of wine at the wedding she wandered into the bridal chamber he was forced to marry a woman he did not love Nian Nian wanted him to remember the past but he deliberately tried to get rid of her Divorce We have no love When he treated her coldly he injured her body time and time again When she was in despair he felt a stab of pain in his heart When he returned with Little Princess four years later he was in hot pursuit Soft words coaxed each other as she held her fingers together outside the house Where she and the child would go
