Eighteenth Annual Report Of The National:

Proceedings of the Eighteenth Annual Convention of the National Association of Railway Commissioners

National Association of Railway and Utilities Commissioners (U.S.),1907 A Most Stirring and Significant Episode H. Paul Thompson, Jr.,2012-10-15 When Atlanta enacted prohibition in 1885 it was the largest city in the United States to do so A Most Stirring and Significant Episode examines the rise of temperance sentiment among freed African Americans that made this vote possible as well as the forces that resulted in its 1887 reversal well before the 18th Amendment to the Constitution created a national prohibition in 1919 H Paul Thompson Jr s research also sheds light on the profoundly religious nature of African American involvement in the temperance movement Contrary to the prevalent depiction of that movement as being one predominantly led by white female activists like Carrie Nation Thompson reveals here that African Americans were central to the rise of prohibition in the south during the 1880s As such A Most Stirring and Significant Episode offers a new take on the proliferation of prohibition and will not only speak to scholars of prohibition in the US and beyond but also to historians of religion and the African American experience **Monthly Catalog of United States Government**

Publications , Monthly Catalog of United States Government Publications United States. Superintendent of Documents,1986 **Masculinity and the Making of American Judaism** Sarah Imhoff,2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American Jewish manhood was not just one of assimilation or exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly Claire Elise Katz author of Levinas and the Crisis of Humanism Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of By Thanksgiving We Were Americans German Jewish Refugees and Holocaust Memory Congressional Record United States.
