Imagining the British Atlantic after the American Revolution Michael Meranze,Saree Makdisi,2016-01-28 Between 1750 and 1820 tides of revolution swept the Atlantic world From the new industrial towns of Great Britain to the plantations of Haiti they heralded both the rise of democratic nationalism and the subsequent surge of imperial reaction In *Imagining the British Atlantic after the American Revolution* nine essays consider these revolutionary transformations from a variety of literary visual and historical perspectives On topics ranging from painting and poetry to prison reform the essays challenge and complicate our understandings of revolution and reaction within the transatlantic imagination Drawing on examples from different local and regional contexts they demonstrate the many remarkably local ways that revolution and empire were experienced in London Pennsylvania Pitcairn Island and points in between Published by the University of Toronto Press in association with the UCLA Center for Seventeenth and Eighteenth Century Studies and the William Andrews Clark Memorial Library

The Reformist Ideas of Samuel Johnson Stefka Ritchie,2017-03-07 This book explores what remains an understudied aspect of Samuel Johnson s profile as a person and writer namely his attitude to social improvement The interpretive framework provided here is cross disciplinary and applies perspectives from social and cultural history legal history architectural history and of course English literature This allows Johnson s writings to be read against the peculiarities of their historical milieu and reveals Johnson in a new light as an advocate of social improvement for human betterment Considering the multiplicity of narrative modes that have been employed the book points to the blurred boundaries and overlapping between history testimony and fiction and argues that a future biography of Samuel Johnson has to recognise that throughout his life he valued the utilitarian aspect of his manifesto as a writer to impart a more charitable attitude in the pursuit of a more caring society
