

Elementary School Principals Who Care

Elementary School Principals Who Care Responding To Social Change

Carol M. Hoffman

Elementary School Principals Who Care Responding To Social Change:

Elementary School Principals who Care Carol M. Hoffman, 1997 This study identifies activities and characteristics of principals who are successfully dealing with the following social issues poverty working mothers single parent families child care and abuse drug and alcohol abuse and cultural diversity From interviews with principals the author creates a profile of the elementary school principal who is responding in positive ways to the negative effects of social change Annotation copyrighted by Book News Inc Portland OR **The British National Bibliography** Arthur James Wells, 1998

American Book Publishing Record, 2001 Subject Guide to Books in Print, 1991 **Handbook of Primary Education in Europe (1989)** Maurice Galton, Blyth Alan, 2018-02-06 Published in 1989 in conjunction with the Council of Europe this book is a major source of reference for those interested in the comparative study of primary education in Europe Whilst there is much material available at secondary level there is little information about the organisation and practice of primary education in different European countries This book based on reports and case studies collected by the Council of Europe as part of its five year project Innovation in Primary Education in Europe remedies this providing an essential resource in the area Divided into six sections each contributed to by member state of the Council of Europe this book covers topics including organisation policy and practice professionalism in primary school teachers and innovation in primary education **Resources in Education**, 2001-10 *Boletin Internacional de Bibliografia Sobre Educacion*, 1999 Social Capital and Well-being of Teachers and Principals: Social Support and Beyond Simon Beausaert, Eva Kyndt, 2023-02-08

Research in Education, 1974 *Forthcoming Books* Rose Arny, 1997 The Global Culture of Bullying Carol L. Castleberry, 2022-09-27 This book explicates bullying as a concept and as a social and cultural phenomenon that has become a defining reality of the times in which we live The author begins in the arena where it is first and most acutely individually experienced in school and expands to other institutions and areas of social life the family the workplace and the local national and international spheres extending the concept of bullying to the global arena to uncover the social and institutional root causes of the extreme forms of bullying such as trafficking torture terrorism and genocide The book discusses the steps taken to address these issues and analyzes their efficacy It explores the concept of epigenetics brain development childhood experiences and other psychological factors that contribute to bullying behaviors and predispositions The book investigates and compares anti bullying and anti violence initiatives taken particularly in the U S the U K and India to address the issue and create community wide resilience practices It also describes the current trends in decisions from international regional and domestic law and offers evidence based policy recommendations to establish a culture of respect for human dignity An interdisciplinary intercultural exploration and analysis of the phenomenon of bullying this book will be of interest to students teachers and researchers of psychology sociology anthropology social justice and law human rights and cultural studies It will also be useful for academic libraries academicians policy planners school administration government officials and

readers interested in reading about bullying Resources in Education ,1996 *CDF Reports* ,1996 An Anthology of Educational Thinkers Sally Featherstone,2016-11-03 An Anthology of Educational Thinkers provides an excellent introduction to the major groups of educational thinkers Each thinker s views and theories are explained in detail in a format that is accessible to those currently practising and those who are still in training However this book goes beyond just explaining the theory it shows practitioners how to put these theories into practice It is filled with explanations of how theories are linked to the EYFS examples of how these figures worked and most importantly demonstrates the way they influenced how most early years practitioners work today Culturally Responsive Counseling With Latinas/os Patricia Arredondo,Maritza Gallardo-Cooper,Edward A. Delgado-Romero,Angela L. Zapata,2014-12-08 This book provides culture centered assessment and intervention strategies for effective clinical practice with Latina o individuals and families Mental health professionals will gain new and expanded cultural competence as they learn to sensitively and ethically integrate Latino values into their work Throughout the text case scenarios illustrate ways to work successfully with clients of all ages A sample culture centered clinical interview is included along with a listing of Latino specific mental health resources Topics discussed include roles relationships and expectations in Latino families cultural and bicultural values gender role socialization generational differences identity and acculturation issues educational values and achievement Latinas os in the workforce and religious beliefs and practices Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to publications counseling.org Resources in Women's Educational Equity ,1979-05 **Responding to Social Change** Basil Honikman,1975 **Sociological Abstracts** Leo P. Chall,2000 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Encyclopedia of Diversity in Education** James A. Banks,2012-05-17 The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the Encyclopedia of Diversity in Education 4 volumes in both print and electronic formats will present research and statistics

case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the Encyclopedia will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this Encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world Journal of Education,1891
