Frieling,2020-11-16 Astrology is a concern of the Christ and the work of Michael Hermann Beckh During the brief window between the two World Wars the Rev Prof Hermann Beckh led research at The Christian Community Seminary in Stuttgart In those precious years he published on music the gospels and the ancient Mysteries By 1930 in his Contributions to the Priests Newsletter he had produced the most far reaching account of the cosmic order ever written The typescript of this great work was destined to gather dust in the Berlin Archiv however until it was discovered in recent years Published here for the first time it is the crowning masterpiece to Beckh's Collected Works The translated and annotated text is accompanied by Rudolf Frieling's in depth application of Beckh's principles of the cosmic starry order to the Creed of The Christian Community and by a number of appreciations and relevant book reviews Through ever deepening meditation guided by Rudolf Steiner and his vast knowledge of Tibetan Sanskrit Pali and Avestan sacred texts scarcely to be equalled in Europe at the time Beckh came to the first hand realization that human and cosmic life was ordered He perceived directly that this cosmic order was good as originating from the World Will true as from World Thinking and beautiful as from World Feeling All three could be personally experienced in disciplined consciousness that could enter dream sleep and pre natal life This then was Beckh's method and inspiration as shown in this extraordinary work The time will come when Beckh's Christened star knowledge which signifies a basic overturning of today's decadent astrology will be appreciated for its significance August Pauli
